Note that some AACC electives, depending on course, may post towards courses in Strayer's Area II Concentration requirement
Elective	4.5	Elective	3	Students who elect not to take a Computer Technology general education course must satisfy the computer competency requirement with this elective. CIS 101 is recommended for the Computer Technology general education requirement and would transfer to Strayer's CIS 105.
[Elective]	4.5	[TBD]	3	Applies to students who test into ENG 121 and need an additional 3 credits to meet the 60 credit hours required for the degree.
[Elective]	4.5	[TBD]	3	Applies to students who test into ENG 121 and need an additional 3 credits to meet the 60 credit hours required for the degree.
SU Component Total – 45 credits				
Total Credits for SU BBA: 180				
Total courses remaining to take at SU: 20*				

*The total courses remaining assumes the student has taken the recommended electives in the table. A student may have fewer total courses remaining should they take additional courses beyond the required 60 credits that match to Strayer courses as indicated in the table. Additional courses may be required if students do not take the recommended courses in the chart above.
