

## List Of Degrees/Courses Mentoring Program at AACC

### Attracting and Retaining More Women in Computer-related Fields

In order to qualify for compensation, a student must

- Pass a specified course (see specified course(s) listed in second column of the table below against each degree program) with a grade of “C” or better in the computer-related degree program the student is pursuing.
- Be enrolled in mentoring program.
- Satisfy participation requirements for mentoring program
- Be enrolled in one of the computer-related degree programs listed in the first column of the table below.

Courses taken toward a certificate are *not* eligible at this time.

No.	Degree Name and Code	Specified course(s) for Compensation
1.	Information Systems security Code: AAS.CIS.ISS	<b>CSI 217 - Hardening the Infrastructure</b> or higher CSI course required for the degree
2.	Personal Computer Systems Technology Option. Code: AAS.CIS.PC-SYS	<b>CSI 260 - Data Communication</b>
3.	Personal Computer Systems Programming/Analysis Option Code: AAS.CIS.PROG	<b>CSI 162 - Programming 2 in Java</b>
4.	Computer Network Management Code: AAS.CIS.CNM	<b>CSI 236 – UNIX/LINUX System Administration</b> or higher CSI course required for the degree
5.	Computer Science Transfer Code: AS.CPS.SCI	<b>CSI 162 - Programming 2 in Java</b> or higher CSI course required for the degree
6.	CS: Computer Information Systems Option Code: AS.CPS.CIS	<b>CSI 162 - Programming 2 in Java</b> OR <b>CSI 250 – Data Structures in C++</b>
7.	CS: Management Information Systems Option Code: AS.CPS.MIS	<b>CSI 162 - Programming 2 in Java</b>
8.	Web Technologies Code: AAS.CPS.WEB-TECH	<b>CSI 227 – Web Server Administration</b> OR <b>CSI 248 – Advanced World Wide Web Development Using Java</b>

Effective: Spring 2009
