CENTER FOR

Workforce Solutions 

Our Business is Your Success

The Center for Workforce Solutions and the HCAT Institute at Anne Arundel Community College can work with you to design and implement a training program that will have you cooking in no time!

It makes sense that the Hospitality, Culinary Arts and Tourism Institute (HCAT) is the right training choice for Maryland's largest private sector employer. A leader in providing credit and noncredit courses and programs, HCAT strives to meet the needs of a dynamic and expanding hospitality industry.

Whether you seek a college degree or certificate program, continuing professional education, such as Sanitation Certification, or simply to learn new skills, our state-of-the-art kitchens and training labs create a bright, professional and learner – friendly environment. Choose from a variety of degree and certificate programs, including hospitality business management, culinary arts operations, catering, baking and pastry arts, and hotel/restaurant management. Programs cover the essentials from the specific hospitality and culinary skills to the business and human-relations skills. Hands-on learning is stressed.

By partnering with the Center for Workforce Solutions, you can turn up the heat on your training with a personalized schedule that works for your business. You choose the days, times and classes that best suit your staff, and we'll make it happen!
