

A *Anne Arundel Community College* is our county's leader in workforce training. We prepare workers for the labor market in fields such as allied health, business, STEM (science, technology, engineering and math), construction trades, hospitality, culinary arts and many others. With as many as 76 percent of AACC students staying in the region after completing their coursework, we are a leading source of trained workers available to your company.

Notice of Nondiscrimination: AACC is an equal opportunity, affirmative action, Title IX, ADA Title 504 compliant institution. Call Disability Support Services, 410-777-2306 or Maryland Relay 711, 72 hours in advance to request most accommodations. Requests for sign language interpreters, alternative format books or assistive technology require 30-day notice. For information on AACC's compliance and complaints concerning discrimination or harassment, contact Karen L. Cook, Esq., Federal compliance officer, at 410-777-7370 or Maryland Relay 711.

AACC Corporate Partners

Anne Arundel
Community College

Anne Arundel Community College's Career Resource Center provides a number of opportunities for employers to connect with students and alumni looking for employment. The primary avenues are through our free on-line employment Web site and our annual job fairs. If you would like access to these recruiting tools, but you *also* want personalized recruiting services and increased brand visibility in the community, consider joining our Corporate Partners program.

Corporate Partners offers ways to bring together students and companies who share similar interests, opportunities for increased corporate branding and many different occasions for corporate recruiters to interact with our students. Through an active presence on campus, your company can enjoy increased exposure, enhanced interaction with students and improved recruiting efforts.

Your investment dollars go right back to our students through enhanced programming to meet their academic and job-skills training needs.
