

# *This Holiday Season: Give the Gift of Education!*

Does someone you know love to garden?  
Give them a course on designing a garden for butterflies and  
hummingbirds or growing their own herbs.

How about learning the ins and outs of iTunes for Mac and Windows,  
or how to create, publish and post a podcast to the Web?

Learn Chinese or Arabic?  
Or, take a course in Child Care Training.

*Anne Arundel Community College's Gift of Education card*  
is the perfect gift – to give someone a chance to  
discover new worlds ... and themselves at the same time.

Buy one for family members, friends or even yourself.  
Pay for credit and noncredit course costs.

To find out more about the card, call
