Spotlight

School of Continuing Education and Workforce Development Scholarship Opportunities

The School of Continuing Education and Workforce Development is offering scholarship opportunities to students in approved noncredit certificate programs such as dental assisting, commercial truck driving, veterinary assisting and A+ computer repair. While scholarship funding varies depending on the funding sources, scholarship awards generally cover 75 percent of the cost of tuition and fees.

To be eligible for a scholarship, students must be enrolled in an approved certificate program and must demonstrate financial need. For best consideration, students should complete the scholarship application and the barriers assessment completely, and submit them with all required documentation at once.

For information about AACC scholarship opportunities and deadlines, and to download application materials, visit www.aacc.edu/costs-and-paying and select Other ways to pay for Noncredit.

NEW COURSES ADDED DAILY, VISIT WWW.AACC.EDU/NONCREDIT
A CEWD certificate is a great way to demonstrate to an employer you have received job training or completed a series of courses that resulted in improved skills or technical knowledge. See pages 6-11 for a complete list of all CEWD certificate offerings. For information, visit [www.aacc.edu/cewdcertificates](http://www.aacc.edu/cewdcertificates) or call 410-777-2325.

A CEU (Continuing Education Unit) is a measure used by continuing education programs. CEUs are issued upon successful completion as a permanent record of training and professional development activities. CEUs can mean increased compensation or recognition.

MEASURES OF ACHIEVEMENT

A digital badge is a visual representation of a learning experience, achievement, learning outcome or competency that is issued to the student electronically. Digital badges:

- Show the skills and concepts that prove your claims on résumés to employers.
- Single-click sharing gives employers a verifiable way to see your achievements.
- Can be shared to social media sites such as LinkedIn, Twitter, Facebook, email and/or online portfolios that you can share with employers and friends.

Badges are issued for:

- A+ Customer Service
- Carnival Games
- Casino Blackjack
- Minibaccarat
- Cyber Analyst
- Cyber Safety

CHILD CARE

CHILD DEVELOPMENT ASSOCIATE EXAM PREPARATION
CE.CDA-PREP
Students will be provided extensive coaching and mentoring throughout the training; instructors will monitor application completion, site visit and exam preparation. The resulting CDA credential will enable the recipient an opportunity for more responsible positions in the field of early childhood, possible increased salary and advancement in the child care credential system. This certificate will supply individuals with both the educational requirements and the technical support necessary to apply for the written exam and verification visit as required by the Council for Professional Recognition. This certificate program also supports the Report on Developing a Master Plan on Professional Development for Teacher and Providers of Early Childhood Education as submitted by the Maryland State Department of Education.

ECE-303 Child Development Associate Review and Application

FAMILY CHILD CARE PROVIDER
CE.CHILD.FAM-CARE
A loving and supportive home are the foundation of well-developed and happy children. Learn how to apply the framework of child growth and development concepts into creating your own home child care center. Cultivate a safe, nurturing and enriching environment for all. Fulfill the requirements of the Maryland State Department of Education (MSDE) Office of Child Care to become a family child care provider. Successfully complete the following six pre-service training child care courses to earn an AACC CEWD certificate and fulfill the training requirement required by the Maryland State Department of Education Office of Child Care to become a family child care provider. Visit www.aacc.edu/cewdcertificates.

CDA-321 Family CC Module 1-Child Development
CDA-322 Family CC Module 2-Curriculum
CDA-323 Family CC Module 3-Health, Safety and Nutrition
CDA-324 Family CC Module 4-Special Needs
CDA-325 Family CC Module 5-Professionalism
CDA-326 Family CC Module 6-Community
LEAD TEACHER 90-HOUR INFANT AND TODDLER
CHILD CARE TRAINING
CE.INFANT-90
Experienced child care providers seeking lead teacher positions in child care centers specifically for infants and toddlers can fulfill Maryland State Department of Education (MSDE) Office of Child Care requirements for teachers and senior staff with training from AACC. Training consists of two noncredit courses. Students will study the various aspects of growth and development of children from birth through adolescence. Students will also learn the principles of learning, learning environments and activities for children from birth through age 6. Successful completion requires 100 percent attendance and 75 percent or better on all assessments.
ECT-305 Child Care 1 – Child Growth and Development
ECT-328 Methods and Materials: Infant and Toddlers

LEAD TEACHER 90-HOUR PRESCHOOL
CHILD CARE
CE.CHILDLD-TEACH
Lead your pupils to a bright and successful future as a Lead Preschool Teacher. Master the methodologies of child growth and development concepts that promote social, emotional, physical and cognitive development in young children. Fulfill the requirements of the Maryland State Department of Education (MSDE) Office of Child Care for teachers and senior staff.
Successfully complete the following two courses to earn a CEWD certificate and fulfill Maryland State Department of Education Office of Child Care 90-hour child care requirements for preschool teachers. Visit www.aacc.edu/cewdcertificates.
ECT-305 Child Growth and Development
ECT-306 Methods and Materials: Early Childhood

CHILD CARE TRAINING
CE.SCHOOLAGE-90
Experienced child care providers seeking lead teacher positions in child care centers specifically for school-age children can fulfill Maryland State Department of Education (MSDE) Office of Child Care requirements for teachers and senior staff with training from AACC. Training consists of two noncredit courses. Students will study the various aspects of growth and development of children from birth through adolescence. Students also will learn the principles of learning, learning environments and activities for children from birth through age 6. Successful completion requires 100 percent attendance and 75 percent or better on all assessments.
ECT-305 Child Care 1 – Child Growth and Development
ECT-370 Methods and Materials: School-Age Child

COMPUTERS AND TECHNOLOGY
We are continuously developing new programs to meet industry needs and student demand. Visit www.aacc.edu/jobtraining and select Computers and Technology to see all of our course and program offerings including the following new programs:
- AutoCAD 3-D Modeling
- AutoCAD Certified User
- IT Support Specialist

AUTOCAD CERTIFIED USER
CE.AUTOCAD
Master basic and advanced design skills, as you gain hands-on practice in using the 2D tools in AutoCAD 2018. After gaining mastery in using basic tools, you’ll advance to explore efficiency tools, complex objects, use of external reference and image files, advanced plotting, and customizations. With Autodesk certified curriculum, you’ll learn all of the skills needed to prepare in part for the Autodesk AutoCAD 2018 Certified Professional and User exams. Successfully complete the two courses listed below to earn a CEWD certificate.
OLL-300 AutoCad 2018 Certified User Part 1
OLL-301 AutoCad 2018 Certified User Part 2

CERTIFIED INFORMATION SYSTEMS SECURITY PROFESSIONAL - EXAM PREP
CE.INFOSYSSEC-EXAM
Nearly all industries are demanding certified, experienced information security professionals to protect their information and assets. The Certified Information Systems Security Professional (CISSP) Certification – the world’s global security standard – is a vendor neutral certification governed by the nonprofit International Information Systems Security Certification Consortium (ISSC). Achieving CISSP proves high proficiency in and deep understanding of security concepts, principles and methodologies. Successfully complete the course listed below to earn a CEWD certificate and help prepare for the CISSP exam. For information visit www.aacc.edu/cewdcertificates or call 410-777-7387.
NTW-521 Certified Information Systems Security Professional

COMPTIA CYBERSECURITY ANALYST (CySA+)
CE.CYSYA-PLUS
This certificate program prepares students to sit for the industry recognized CompTIA Cybersecurity Analyst (CySA+) Certification exam. Students must have completed NTW-547 CompTIA Security+ certification; or have equivalent knowledge by Coordinator permission prior to starting the program. NTW-574 CompTIA Cybersecurity Analyst (CySA+)

E-LEARNING INSTRUCTIONAL DESIGN
CE.E-LEARN-DSGN
Combine function and flair to engage various learning styles in your online course environment. Create a space that utilizes modern technology seamlessly as students or clients work through instructional components. Develop or adapt a syllabus, and construct content modules using detailed lesson compositions, assessments and more. Successfully complete the following course to earn a CEWD certificate. For information visit www.aacc.edu/cewdcertificates or call 410-777-7387.
CTU-344 Developing and Deploying e-Learning Instructional Design

ESSENTIAL COMPUTER SKILLS FOR TODAY’S WORKFORCE
CE.ESTL-COMP
Whether you’re new to the workforce or re-entering in today’s fast paced environment, modern computer skills are essential to nearly every profession. Learn terminology and the critical functions that can advance your confidence and support your growth in your desired position. Successfully complete the one required course and one of the electives listed below to earn a CEWD certificate. For information visit www.aacc.edu/cewdcertificates or call 410-777-7387.
CTU-339 Essential Computer Skills for Today’s Workforce Elective courses (1 elective required):
ONL-323 Resume Writing Workshop
ONL-334 12 Steps to a Successful Job Search

FUNDAMENTALS OF 21ST CENTURY
PROJECT MANAGEMENT
CE.FUND.PROJECT-MGT
Project managers plan, coordinate, implement and finalize business initiatives according to specifications, budget constraints and deadlines. Responsibly lead a team through all elements of the project scope to ensure a project’s success. Successfully complete the three courses listed below and submit a student application form to earn a CEWD certificate. For information visit www.aacc.edu/cewdcertificates or call 410-777-7387.
BNS-513 Project Management Fundamentals
BNS-514 Project Management Applications
OLA-357 Introduction to Microsoft Project 2013
OR Microsoft Project 2016
**WORKFORCE TRAINING CERTIFICATES**

**INTRODUCTION TO MOBILE APP DEVELOPMENT**
We live in a mobile age, where there is always an app for that. Compatibility, functionality and creativity are essential to mobile device application development. Learn the appropriate technology functions using HTML5 and CSS3, as well as JavaScript, to design, build and optimize cross-platform mobile apps that are fast and run on just about any smartphone, tablet or computer. Successfully complete the four courses listed below to earn a CEWD certificate. For information visit www.aacc.edu/cewdcertificates or call 410-777-7387.

- **NTW-541**
- **NTW-559**

Child Care
AACC’s Teacher Education and Child Care (TEACH) Institute provides comprehensive child care training services including certification courses, continuing education, on-site training, conferences, consultation, a speaker’s bureau and advocacy. Call 410-777-2915 or visit www.aacc.edu and search “teach” for information. To receive Continuing Education Units (CEUs) students must have 100 percent attendance, complete all assignments and earn an average of 75 percent.

AACC’s child care courses meet the Maryland Child Care Credential requirements established by the Maryland State Department of Education (MSDE) Office of Child Care. Each class has a content area code that corresponds to the Core of Knowledge requirements. The codes are:

- C - Curriculum
- D - Child development
- H - Health, safety and nutrition
- L - Community
- P - Professionalism
- S - Special needs

For information on the credentialing program and specific education requirements for each credential level, contact the MSDE Office of Child Care at 866-243-8796. For additional child care classes call Arundel Child Care Connections at 410-222-1712. For information regarding a continuing education certificate in Lead Teacher 90-Hour Preschool, Infant and Toddler, or School Age Child Care and, Family Child Care Provider, see page 11.

Child care providers, currently working in a center and are interested in pursuing a degree, contact Amira Westenburger abwestenburger@aacc.edu about grant opportunities.

Core of Knowledge
Additional sections may be available online; visit www.aacc.edu/noncredit or call 410-777-2915.

Proactive Behavior Guidance
Develop proactive skills for encouraging positive behavior in young children. Explore the importance of room and center setup, consistency, effective guidance strategies and the use of positive reinforcement. CEUs issued.
Cost: $47 includes $7 fee.

Child Development Associate Review and Application
Create a portfolio, prepare for the CDA application process, review for the CDA exam and work with an advisor to prepare for a CDA verification visit. Perfect attendance required. For details on CDA credentialing: www.cdacouncil.org.
Cost: $742 includes $52 fee.

Preventing and Defusing Aggressive Situations
Learn to recognize and defuse personal triggers. Identify communication tools to help resolve conflict and misunderstandings peacefully. Practice strategies for preventing and defusing aggressive situations. CEUs issued.
Cost: $47 includes $7 fee.
Pre-service Training

Child Growth and Development

Study children’s growth and development from birth through adolescence. Gain an introduction to the child care profession and children’s social, emotional, physical and intellectual development. Textbook information available at AACC Bookstore. CEUs issued.

Note: Perfect attendance required.

Cost: $307 includes $7 fee.

ECT-305-301 July 1-Sept. 16 HYBR/AMIL Carter
Note: Section 301 is hybrid; face-to-face meetings are 6:30-9 p.m. Mondays, July 1 and Sept. 9, at AMIL.

Methods and Materials: Early Childhood

Study the principles of children’s learning, learning environments for young children and activities from birth through age 6. Textbook information available at AACC Bookstore. CEUs issued.

Note: Perfect attendance required. Successful completion of CDA-305 or ECT-305 Child Growth and Development and CDA-305 or ECT-306 Methods and Materials: Early Childhood meets state requirement for teachers in preschool programs.

Cost: $307 includes $7 fee.

ECT-306-301 July 3-Sept. 18 HYBR/AMIL Westenburger
Note: Section 301 is hybrid; face-to-face meetings are 6:30-9 p.m. Wednesdays, July 3, July 24, Aug. 21 and Sept. 11, at AMIL.

Methods and Materials: School-Age Child

Discuss curriculum development for school-age children. Learn communication skills, classroom management and development of a positive self-concept. Examine activities promoting optimum development in the after-school setting. Textbook information available at AACC Bookstore. CEUs issued.

Note: Perfect attendance required. Successful completion of CDA-305 or ECT-305 Child Growth and Development and ECT-370 Methods and Materials: School-Age Child meets state requirements for teachers in school-age programs.

Cost: $307 includes $7 fee.

ECT-370-301 July 8-Sept. 23 HYBR/AMIL Alahverdian
Note: Section 301 is hybrid; face-to-face meetings are 6:30-9 p.m. Mondays, July 8, July 29, Aug. 26 and Sept. 16, at AMIL.

Medication Administration Training

Learn the latest information regarding medication administration, record keeping and storage in a child care setting. Examine dispensing methods, measurements and common side effects of over-the-counter and prescription medication. CEUs issued.

Note: Designed by the Maryland State Department of Education.

Cost: $92 includes $7 fee.

DCC-360-301 June 1 AMIL Frashure
1 session Sa 8:30 am-3:30 pm

Basic Health Safety Training

Review policies about establishing and maintaining safe, healthy child care environments; preventing and reducing injuries; identifying and reporting abuse, neglect and other injurious treatment; record keeping; and child care sanitation considerations. Note: Meets MSDE five-hour training requirements for basic health and safety.

Cost: $57 includes $7 fee.

ECE-321-301 July 27 Arnold-Main Hamblin
1 session Sa 10 am-3:30 pm

Including All Children and the ADA

Gain the information, strategies and resources necessary for developing and implementing an inclusive early childhood program. Learn the Americans with Disabilities Act (ADA) requirements and inclusionary practices based on national standards, best practices, and local, state and national resources. Meets training requirements for child care providers. CEUs issued.

Cost: $47 includes $7 fee.

ECD-364-301 June 22 Arnold-Main Hamblin
1 session Sa 9 am

CAREER AND PROFESSIONAL TRAINING

NEW COURSES ADDED DAILY, VISIT WWW.AACC.EDU/NONCREDIT
## COMPUTERS AND TECHNOLOGY

### CAREER AND PROFESSIONAL TRAINING

Our noncredit courses are specially designed so we can assist industry professionals who want to upgrade their skills and specializations, those looking to start or change careers and individuals who want to learn more about technology. Some of the online technology courses require you to have your own software downloaded to your computer prior to starting your course. Call 410-777-2970 if you are unsure of the software you will need.

We have additional courses. Visit us at www.aacc.edu/IT or call 410-777-2970.

### Basic Computer Skills

For information regarding a continuing education certificate in Essential Computer Skills for Today’s Workforce, see page 7 or visit www.aacc.edu/noncredit and click the link for Continuing Education and Workforce Training Certificates.

### Computer Fundamentals

Explore theory and practical applications needed to operate a personal computer. Cover computer terms, functions, computer hardware, operating systems and application software. Textbook information available at AACC Bookstore. CEUs issued.

- **Cost:** $179 includes $42 fee.
- **CPT-363-301** June 15-24 Arnold-Main 4 sessions TuTh 6-8:30 pm CALT 136

### Essential Computer Skills for Today’s Workforce

Gain essential computer skills. Learn computer concepts and terms, file management, the cloud, cybersecurity awareness, and Microsoft Word, Excel and Outlook. Textbook information available at AACC Bookstore. CEUs issued.

- **Cost:** $517 includes $37 fee.
  - **CTU-339-301** July 22-Aug. 26 11 sessions MW 6-9:30 pm CCPT 316

### Certification Preparation

Visit page 7 for information regarding Workforce Training certificates in:

- **Certified Information Systems Security Professional (CISSP)**
- **ITIL v3 Foundation**
- **PC Technician**

or visit www.aacc.edu/cewdcertificates.

### CompTIA A+ Certification Prep

Prepare for the CompTIA A+ certification exam. Review basic computer hardware, operating systems, PC components, networking, security, laptops and printers. Learn how to install, configure, secure and troubleshoot these items plus customer service and communication skills. Textbook information available at AACC Bookstore. CEUs issued. Digital badge issued.

Prerequisite: General knowledge of computer hardware and software.

Note: Exam fees included.

- **Cost:** $1,320 includes $335 fee.
  - **NTW-541-301** June 26-Aug. 26 10 sessions MW 6-10 pm GBTC 202

### CompTIA Network+ Certification Exam Prep

Learn foundational computer networking and network security principles and practices while preparing in part for the CompTIA Network+ Certification exam. Textbook information available at AACC Bookstore. CEUs issued. Prerequisite: Knowledge of operating systems and hardware or CompTIA A+ certification.

Note: Exam fees included.

- **Cost:** $1,392 includes $222 fee.
  - **NTW-559-301** July 11-Aug. 13 12 sessions TuTh 6-10 pm GBTC 202

### CompTIA Security+ Exam Preparation

Prepare for the CompTIA Security+ exam including review of network security, compliance and operational security, threats and vulnerabilities, application, data and host security, access control and identity management, and cryptography. Textbook and certification prep materials available at AACC Bookstore. CEUs issued. Prerequisite: Knowledge of operating systems and hardware and/or CompTIA A+; basic networking concepts and/or CompTIA Network+.

Note: Exam fees included.

- **Cost:** $1,450 includes $280 fee.
  - **NTW-547-301** June 3-July 3 10 sessions MW 6-10 pm CCPT 308

### Networking and Security

Visit page 7 for information regarding Workforce Training certificates in:

- **PC Technician**
- **Certified Information Systems Security Professional (CISSP)**

or visit www.aacc.edu/jobtraining and click on Computers and Technology.

### Printing: 3-D Printing Introduction to 3-D Printing

Explore 3-D printing including the theory of operation, technology inside 3-D printers, printing applications, basic maintenance, preparation of models and design considerations. Process models, prepare a 3-D printer for use and learn the basics of 3-D CAD modeling. Print your own model. CEUs issued.

- **Cost:** $249 includes $127 fee.
  - **CTU-302-301** Aug. 3-10 2 sessions Sa 9:15 am-1:30 pm CCPT 314

### Certified Information Systems Security Professional (CISSP) Certification Preparation

Explore the Common Body of Knowledge (CBK). Learn the new eight domains, effective April 15, 2015, essential for the protection of information systems and corporate and national infrastructures. Textbook information available at AACC Bookstore. CEUs issued. Prerequisites: Significant IT security experience and prior certification such as CCNA, CCNP, MCSE or SCNP are recommended. (ISC)2 requires exam candidates to have a minimum of five years of relevant work experience in two or more of the eight security domains, four years of work experience with an applicable college degree, or a credential from the (ISC)2-approved list.

Note: Certification exam voucher is not included.

- **Cost:** $1,713 includes $97 fee.
  - **NTW-521-301** July 11-Aug. 27 14 sessions TuTh 6-9:45 pm CCPT 331
## Programming, Coding and Scripting

### Python Programming: Introduction
Learn the basics of computer programming with Python. Examine expressions, variables, conditionals, loops, lists, sets, dicts, functions, objects and exceptions. Develop, test and debug Python programs. Textbook information available at AACC Bookstore. CEUs issued. Prerequisite: Experience performing basic computer and file management tasks on a modern operating system.

**Cost:** $314 includes $22 fee.
**CTR-392-301**
**July 13-Aug. 17**
**TuTh**
**Arnold-Main**
**6 sessions**

### Java Programmer
Learn Java syntax, concentrating on fundamental and universally useful elements. Explore advanced elements and write useful Java classes, applying object-oriented concepts such as inheritance. Create Java programs that work with these classes. CEUs issued. Digital badge issued. Prerequisite: Prior knowledge of any programming language is helpful.

**Cost:** $995 includes $902 fee.
**OLT-376-301**
**Aug. 14-Feb. 1**
**ONLN CENG**

### Radio Frequency

#### Radio Frequency Spectrum Management
Learn licensing, certifying and allocating spectrum. Examine treaties, international agreements, laws, rules and regulations, and the technical aspects of spectrum sharing. Review the ITU, NTIA and FCC agencies and procedures. CEUs issued.

**Cost:** $607 includes $7 fee.
**OCA-559-301**
**July 15-Oct. 14**
**ONLN WB**

### Software and Internet Applications

#### Microsoft Excel: Intermediate

**Cost:** $217 includes $37 fee.
**CTU-328-301**
**July 30-Aug. 8**
**Arnold-Main**
**4 sessions**
**TuTh**
**6-9:30 pm**

#### Microsoft Project: Introduction
Learn to use Microsoft Project to plan and manage project schedules. Start a plan, build a task list, set up and assign resources, and format and track plan progress. Appropriate for Project 2010, 2013 and 2016 users. Textbook information available at AACC Bookstore. CEUs issued.

**Cost:** $217 includes $37 fee.
**CTU-334-301**
**Aug. 13-22**
**CCPT**
**4 sessions**
**TuTh**
**6-9:30 pm**

#### Microsoft Access: Introduction

**Cost:** $217 includes $37 fee.
**CTU-332-301**
**Aug. 13-22**
**Arnold-Main**
**4 sessions**
**TuTh**
**6-9:30 pm**

#### AutoCAD 2018 Certified User - Part 1
Master basic and advanced design skills while gaining hands-on practice with AutoCAD 2018’s 2-D tools. Explore efficiency tools, complex objects, use of external reference and image files, advanced plotting and customizations. Learn the skills needed to prepare in part for the Autodesk AutoCAD 2018 Certified Professional and User exams. CEUs issued. Prerequisites: Basic knowledge of Windows; comfortable installing software and loading files. Internet connection, familiarity with the internet and email capabilities required. Working knowledge of basic design-drafting procedures and terminology recommended. Corequisite: OLL-301 AutoCAD 2018 Certified User Part 2.

**Note:** Three-year student version of the AutoCAD 2018 software included. Exam voucher included upon successful completion. Fifty-plus hours of additional hands-on application experience recommended prior to taking the Certified User exam. Offered online in partnership with Cengage.

**Cost:** $1,301 includes $1,105 fee.
**OLL-300-301**
**July 17-Sept. 6**
**ONLN CENG**

### New Courses Added Daily, Visit www.aacc.edu/noncredit
AutoCAD 2018 Certified User - Part 2
Master basic and advanced design skills while gaining hands-on practice with 2-D tools in AutoCAD 2018. Explore efficiency tools, complex objects, use of external reference and image files, advanced plotting, and customizations. Learn the skills needed to prepare in part for the Autodesk AutoCAD 2018 Certified Professional and User exams. CEUs issued. Prerequisites: Basic knowledge of Windows; comfort installing software and loading files is necessary. Internet connection, emailing capabilities and familiarity with using the internet recommended. Working knowledge of basic design/drafting procedures and terminology is recommended. Corequisite: OLL-300 AutoCAD 2018 Certified User Part 1. Note: Three-year student version of the AutoCAD 2018 software included. Exam voucher included upon successful completion. Fifty-plus hours of additional hands-on application experience recommended prior to taking the certified user exam. Offered online in partnership with Cengage.

Cost: $1,301 includes $1,105 fee.
OLL-301-301 July 17-Sept. 6  ONLN CENG  MacMillan

AutoCAD 3D 2018
Learn concepts and methods of 3-D modeling, demonstrating fundamentals of 3-D illustration and exploring the advanced 3-D modeling workspace. CEUs issued. Prerequisites: OLL-300 and OLL-301, AutoCAD 2018 Certified User, Parts 1 and 2, or equivalent experience with 2-D commands and software interface for AutoCAD 2018. Basic knowledge of Windows and comfort installing software and loading files suggested. Internet connection, email capability and familiarity with using the internet recommended. Working knowledge of basic design/drafting procedures and terminology recommended. Note: Three-year student version of AutoCAD 2018 software included. Offered online in partnership with Cengage.

Cost: $1,695 includes $1,402 fee.
OLL-302-301 July 17-Sept. 6  ONLN CENG  MacMillan

Unmanned Aerial System (UAS)/Drones
FAA Part 107 Exam Preparation
Learn the capabilities and industry applications for small unmanned aircraft systems (sUAS). Prepare in part for the FAA Part 107 Certification exam, while pursuing the necessary knowledge to operate drones safely in commercial environments. Learn mechanical principles of flight, performance, drone components and maintenance, and examine regulations, certifications and the human factors influencing drone flight. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Consortiq.

Cost: $257† includes $205 fee.
CTU-355-301 June 3-July 15  ONLN CSRTQ  Bushey

Unmanned Aerial Systems (UAS) First Responder Leadership
Gain an overview of UAS technologies, capabilities, regulations, legal responsibilities, and cost and benefit considerations for potential use in law enforcement, fire, rescue, emergency medical and disaster response applications. Explore ways to integrate areas of interest with UAS capabilities through use case scenarios and exercises. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Sinclair College.

Cost: $657 includes $527 fee.
OLT-388-301 June 3-July 8  ONLN SCC

Introduction to Unmanned Aerial Systems (UAS)
Gain an overview of UAS applications. Explore when and how UAS may be used to meet civil and commercial needs. Study UAS technologies, capabilities, regulations, legal responsibilities, privacy issues, and cost and benefit considerations for acquiring and using UAS. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Sinclair College.

Cost: $502 includes $403 fee.
OLT-389-301 June 3-July 22  ONLN SCC

Geospatial Information for Unmanned Aerial Systems (UAS)
Explore how unmanned aerial systems can be used to obtain geospatial data and information, with an emphasis on how the geomatics provides the necessary theory and tools for success. Examine links between geodesy, surveying, photogrammetry, remote sensing, cartography and geographic information science (GIS) and demonstrates how these disciplines connect to UAS operations. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Sinclair College.

Cost: $657 includes $527 fee.
OLT-390-301 June 3-July 8  ONLN SCC

Search [www.ed2go.com/aacc](http://www.ed2go.com/aacc) or see pages 92-93 for information.
Current Unmanned Aerial Systems (UAS) Standards and Regulations
Review the governing unmanned aerial systems’ standards and regulations, how they are developed and implemented, and their influence on UAS operators. Explore the future direction of federal guidance by analyzing trends within government and the UAS community. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Sinclair College.
Cost: $502 includes $403 fee.
OLT-393-301 June 3-July 22 ONLN SCCC

Unmanned Aerial Systems (UAS) Concepts of Operation
Explore the importance of a formal ConOps for UAS operations. A ConOps will be developed for an application of interest incorporating an appropriate UAS platform, sensor and related planning materials. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Sinclair College.
Cost: $657 includes $527 fee.
OLT-394-301 June 3-July 8 ONLN SCCC

Unmanned Aerial Systems (UAS) for Media Leadership
Examine UAS capabilities and applications that will help make better informed decisions about what, when, where and how to use UAS in media organizations. Gain an understanding of UAS technologies, resources, capabilities, regulations, legal responsibilities and cost/benefit considerations for decision makers and operators in the media. Textbook information: 410-777-2910. CEUs issued. Note: Offered online in partnership with Sinclair College.
Cost: $502 includes $403 fee.
OLT-395-301 June 3-July 22 ONLN SCCC

Web Design and Development
For information regarding a continuing education certificate in Web Design, see page 7.
CONSTRUCTION AND TRADES

Construction Estimating
For information regarding continuing education certificate in Construction Estimating, see page 8.

Introduction to Construction Estimating
Build a foundation for estimating virtually any individual trade or project type with this self-paced course. Learn pricing techniques, how to estimate labor, materials and equipment, and organization and estimation types. CEUs issued. Note: Online, self-paced course. Offered in partnership with Construction Experts Inc. Approved by the American Society of Professional Estimators.

Cost: $479 includes $397 fee.
OCA-507-301 June 24-Aug. 25  ONLN CEXP George

Essential Construction Math
Develop math skills that can be applied to the construction trade. Learn about calculations, measurements and conversions common to the construction industry. CEUs issued. Note: Online, self-paced course. Offered in partnership with Construction Experts Inc. Approved by the American Society of Professional Estimators.

Cost: $479 includes $397 fee.
OCA-508-301 June 24-Aug. 25  ONLN CEXP George

Construction Blueprint Reading
Gain knowledge of blueprint reading as it relates to construction projects. Learn general terms, the design process, layout and installation of materials, and how to pinpoint problems. CEUs issued. Note: Offered online in partnership with Construction Experts Inc. Approved by the American Society of Professional Estimators.

Cost: $479 includes $397 fee.
OCA-509-301 June 24-Aug. 25  ONLN CEXP George

Estimating and Bidding 1
Explore hands-on estimating and quantity take-off activities associated with metals, wood doors, windows, finishes, electrical and mechanical estimating. CEUs issued. Prerequisites: OCA-507 Introduction to Construction Estimating and OCA-508 Construction Blueprint Reading. Note: Offered online in partnership with Construction Experts Inc. Approved by the American Society of Professional Estimators.

Cost: $479 includes $397 fee.
OCA-510-301 June 24-Aug. 25  ONLN CEXP George

Estimating and Bidding 2
Focus on hands-on estimating and quantity take-off activities associated with metals, wood doors, windows, finishes, electrical and mechanical estimating. CEUs issued. Prerequisites: OCA-507 Introduction to Construction Estimating, OCA-508 Essential Construction Math and OCA-509 Construction Blueprint Reading. Note: Offered online in partnership with Construction Experts Inc. Approved by the American Society of Professional Estimators.

Cost: $479 includes $397 fee.
OCA-511-301 June 24-Aug. 25  ONLN CEXP George

Electrical Helper
AACC co-sponsors two electrical apprenticeships approved by the Maryland Apprenticeship Training Council: one with The Associated Builders and Contractors/Chesapeake (ABC) and the other with Independent Electrical Contractors/Chesapeake (IEC). ABC Electrical Apprenticeship Hours of training: 144 hours per year of classroom training and 2,000 hours per year of on-the-job training for four years. For information call ABC at 410-287-0347. IEC Electrical Apprenticeship Hours of training: 144 hours per year of classroom training and 2,000 hours per year of on-the-job training for four years. For information call IEC at 800-470-3013.

Learn to become an electrician’s helper. Receive OSHA 10 safety training and learn fundamentals of electrical theory, and residential and commercial wiring, including how to recognize National Electrical Codes. CEUs issued. Note: Offered in partnership with The Independent Electrical Contractors Chesapeake (IEC). Starter toolkit and textbooks included.

Cost: $1,395 includes $718 fee.
OPA-323-301 June 3-July 5  Off Campus
15 sessions  MWF  9 am-3:30 pm  IEC

HVAC
For information regarding a continuing education certificate in HVACR Entry Level Technician, see page 9.

Entry Level HVAC Technician Training Part 1
Learn how to handle materials and move them around the job site, choose the appropriate materials to handle equipment, recognize hazards and follow materials-handling safety procedures. Discuss inspection techniques and apply proper use of hand/power tools. CEUs issued. Co-requisite: OCA-574 Entry Level HVAC Technician Training Part 2.

Cost: $1,995 includes $551 fee.
OCA-573-301 July 1-31  Off Campus
18 sessions  MTuWTh  9 am-2:30 pm  IEC

Entry Level HVAC Technician Training Part 2

Cost: $1,995 includes $551 fee.
OCA-574-301 Aug. 5-Sept. 4  Off Campus
18 sessions  MTuWTh  9 am-2:30 pm  IEC
CAREER AND PROFESSIONAL TRAINING

Truck Driving

For information regarding a continuing education certificate in Commercial Drivers License Class A and B, see page 8. Students must meet eligibility requirements and schedule an appointment with the CDL program manager. Call 410-777-2835. For information about AACC’s truck driving visit www.aacc.edu/programs-and-courses/job-training/truck-driving.

Commercial Drivers License CDL A: Part 1

Prepare for the Maryland Motor Vehicle Administration Commercial Drivers License Class A examination and road test. Learn about log-preparation, combination vehicles, cargo safety, trip planning, cargo documentation, post- and pretrip inspections, and recognizing and reporting malfunctions through classroom training. CEUs issued.

Cost: $1,952 includes $1,577 fee.

Advanced Gas Metal Arc Welding-Pipe

Learn techniques required of a qualified MIG pipe welder: proper tacks and feather edging, filler metal angles, manipulations for open root pipe and welding on carbon steel pipe with GMAW-SG and FCAW processes. Train with ER70S solid wire short circuit transfer GMAW down bead root with E71T-1 flux cored wire hot and fill passes, upward progression. Train to ASME welder qualification to ASME IX, Boiler and Pressure Vessel Code in the 6G position on carbon steel. Passing the certification test makes you eligible for an all-position ASME welder qualification. CEUs and Earlbeck Certificate of Completion issued. Prerequisites: OPT-394 Fundamentals of Welding Certified Training and OPT-396 Intermediate MIG Welding Training, or OCC-344 Welding for Work Stick, or permission of instructor. Note: Must be 18 or older to enroll. Fire-retardant pants and shirt, hard-toe boots and safety goggles required. Bring welding gear to class.

Cost: $2,282 includes $1,989 fee.

Advanced Gas Tungsten Arc Welding: Pipe
Learn techniques required of a qualified TIG pipe welder: proper tasks and feather edging, filler metal angles, manipulations for open root pipe welding and welding on carbon steel pipe with the GTAW process. Train with ER70S carbon steel solid wire with upward progression. Train to ASME IX, Boiler and Pressure Vessel Code in the 6G position on carbon steel. Passing the certification test makes you eligible for an all-position ASME welder qualification. CEUs and Earlbeck Certificate of Completion issued. Prerequisite: OPT-394 Fundamentals of Welding Certified Training and OPT-395 Intermediate MIG Welding Training, or OCC-345 Welding for Work Stick, or permission of instructor. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Bring shielded metal arc welding workbook and welding gear to class.

Cost: $2,275 includes $1,987 fee.

OPT-395-301 June 3-19 Off Campus Hodge’s 9 sessions MWF 8 am-3 pm EARL
OPT-395-302 June 25-Aug. 22 Off Campus Hodge’s 16 sessions TuTh 5:30-8:30 pm EARL
OPT-395-303 July 1-Aug. 11 Off Campus Hodge’s 16 sessions MW 5:30-8:30 pm EARL
OPT-395-304 July 22-Aug. 7 Off Campus Hodge’s 8 sessions MW 8 am-3 pm EARL
OPT-395-305 Aug. 26-Sept. 18 Off Campus Hodge’s 8 sessions MWF 8 am-3 pm EARL

Intermediate TIG Welding Certified Training
Gain skills in the gas tungsten arc process. Prepare material and perform flat, horizontal and vertical fillet welds and flat groove welds in carbon steel, stainless steel and aluminum. Geared toward AWS D9.1 specification for fusion welding for aerospace applications. Passing the certification test qualifies you for AWS D9.1 aerospace code for carbon steel, stainless steel and aluminum certification. CEUs and Earlbeck Certificate of Completion issued. Prerequisite: OPT-394 Fundamentals of Welding Certified Training or permission of instructor. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Bring gas tungsten arc welding workbook and welding gear to class.

Cost: $2,282 includes $1,987 fee.

OPT-397-301 June 5-21 Off Campus Hedges 8 sessions MWF 8 am-3 pm EARL
OPT-397-302 July 8-Aug. 28 Off Campus Hedges 16 sessions MW 5:30-8:30 pm EARL
OPT-397-303 July 9-Aug. 29 Off Campus Hedges 16 sessions TuTh 5:30-8:30 pm EARL

OPT-397-305 Aug. 28-Sept. 20 Off Campus Hedges 8 sessions MWF 8 am-3 pm EARL

Intermediate MIG Welding Certified Training
Prepare material and perform fillet and groove welds in carbon steel in all positions. Practice geared toward structural welding code vertical and overhead tests. Passing the certification tests provides an all-position limited thickness AWS D1.1 welder certification. CEUs and Earlbeck Certificate of Completion issued. Prerequisite: OPT-394 Fundamentals of Welding Certified Training or permission of instructor. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Bring shielded metal arc welding workbook and welding gear to class.

Cost: $2,282 includes $1,987 fee.

OPT-396-301 June 7-21 Off Campus Hedges 7 sessions MWF 8 am-3 pm EARL
OPT-396-302 July 15-Aug. 28 Off Campus Hedges 14 sessions MWF 5:30-8:30 pm EARL
OPT-396-303 July 16-Aug. 29 Off Campus Hedges 14 sessions TuTh 5:30-8:30 pm EARL
OPT-396-304 July 26-Aug. 9 Off Campus Hedges 7 sessions MWF 8 am-3 pm EARL
OPT-396-305 Aug. 30-Sept. 20 Off Campus Hedges 7 sessions MWF 8 am-3 pm EARL

Symbols for Welding
Discuss welding symbols. Examine symbol use and discuss practical application. Review surfacing welds and edge welds. Explore fillet welding symbols. CEUs issued.

Cost: $307 includes $257 fee.

OCA-563-301 June 11-13 Off Campus Hedges 2 sessions TuTh 8 am-3 pm EARL
OCA-563-302 Aug. 13-15 Off Campus Hedges 2 sessions TuTh 8 am-3 pm EARL

Welding Basics
Discuss welding safety practices. Examine basic welding theory and machine setup. Review the operation of MIG, TIG and Stick equipment. CEUs issued.

Cost: $157 includes $107 fee.

OCA-565-301 June 15 Off Campus Hedges 1 session Sa 8 am-noon EARL
OCA-565-302 July 13 Off Campus Hedges 1 session Sa 8 am-noon EARL
OCA-565-303 Aug. 17 Off Campus Hedges 1 session Sa 8 am-noon EARL

Welding for Work – STICK
Learn the processes for oxy-fuel, gas tungsten arc, gas metal arc and shielded metal arc welding through hands-on instruction. Prepare to perform fillet and groove welds in carbon steel using E7018 electrodes in all positions. Passing the certification test provides AWS D1.1 welder certification. CEUs and Earlbeck Certificate of Completion issued. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Bring shielded metal arc welding workbook and welding gear to class.

Cost: $3,526 includes $3,077 fee.

OCC-344-301 July 8-Aug. 9 Off Campus Hedges 15 sessions MWF 8 am-3 pm EARL
OCC-344-302 Aug. 12-Sept. 20 Off Campus Hedges 15 sessions MWF 8 am-3 pm EARL

Welding for Work – MIG
Learn the processes for oxy-fuel, gas tungsten arc, gas metal arc and shielded metal arc welding through hands-on instruction. Prepare to perform fillet and groove welds in carbon steel in all positions. Passing the certification test provides AWS D1.1 welder certification. CEUs and Earlbeck certificate of completion issued. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Bring GMAW workbook and welding gear to class.

Cost: $3,526 includes $3,077 fee.

OCC-345-301 July 8-Aug. 9 Off Campus Hedges 13 sessions MWF 8 am-3 pm EARL
OCC-345-302 Aug. 12-Sept. 20 Off Campus Hedges 13 sessions MWF 8 am-3 pm EARL

NEW COURSES ADDED DAILY, VISIT WWW.AACC.EDU/NONCREDIT
CAREER AND PROFESSIONAL TRAINING

Welding for Work – TIG
Learn the processes for oxy-fuel, gas tungsten arc, gas metal arc and shielded metal arc welding through hands-on instruction. Prepare material and perform flat, horizontal and vertical welds and flat groove welds in carbon steel, stainless steel and aluminum. Passing the certification test provides AWS D9.1 welder certification. CEUs and Earlebeck Certificate of Completion issued. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Bring gas tungsten arc welding workbook and welding gear to class.

Cost: $3,526 includes $3,077 fee.

Fundamentals of Welding Certified Training
Learn oxy-fuel, gas tungsten arc, gas metal arc and shielded metal arc processes through lecture and hands-on practice. Discuss basic metallurgy, welding codes, distortion control and welding symbols. CEUs and an Earlebeck Certification of Completion issued. Note: Must be 18 or older to enroll. Fire-retardant pants, shirt, hard-toe boots and safety goggles required. Helmet, gloves, jacket, chipping hammer, wire brush and pliers are provided as part of the welding gear kit.

Cost: $1,557 includes $1,355 fee.

COSMETOLOGY

Nail Technician: Part 1
Discuss the importance of personal hygiene and grooming. Demonstrate standard salon safety procedures and precautions. Review bacteriology, skin and nail disorders, and diseases. Discuss tools, cosmetics, product chemistry and safety. CEUs issued. Corequisite: SLN-501 Nail Technician: Part 2, SLN-502 Nail Technician Clinical: Part 1, SLN-503 Nail Technician Clinical: Part 2. Note: The four courses listed under Nail Technician at www.aacc.edu/jobtraining are intended to be taken concurrently. Prior to enrolling, students must attend an information session. Call 410-777-2040 for session dates and times. English as Second Language students must earn a composite score of 210 or better on the Level of English Proficiency exam, or successfully complete Capstone level ESL coursework.

Cost: $2,817 includes $407 fee.

Nail Technician: Part 2

Cost: $57 includes $7 fee.

Nail Technician Clinical: Part 1

Cost: $57 includes $7 fee.

Nail Technician Clinical: Part 2

Cost: $57 includes $7 fee.

REGISTRATION INFORMATION 410-777-2325
Food Industry Certifications

Hospitality and Culinary Arts participants in the ManageFirst® Program earn ManageFirst® Program certificates after passing the exam correlating to each topic. These certificates reward students for their accomplishment and serve as a resource in the job search process. Further, industry hiring managers can look for these certificates when seeking top-shelf, qualified talent.

Certification in Sanitation

National food safety certification by the National Restaurant Association (NRA) designed for food service professionals. Learn the cause and prevention of food-borne illnesses, maintenance of sanitary conditions and how to implement a Hazard Analysis Critical Control Point (HACCP) system. Study the flow of food from receiving through storage, prep and service. A certification from the NRA is issued to students who satisfactorily complete the course and pass the examination. Textbook information available at AACC Bookstore. CEUs issued.

Note: Student must purchase textbooks prior to first class.

Cost: $119 includes $7 fee.

ServSafe Alcohol®

Training and Certification

Examine alcohol laws and responsibilities for managers and employees. Review safe practices for serving alcohol and identify how to deal with difficult situations. Students passing the exam will receive the National Restaurant Association Education Foundation ServSafe Alcohol® Advanced certification. Textbook information available at AACC Bookstore. CEUs issued.

Note: All students must purchase the textbook which contains an electronic voucher for the final exam. Mandatory class, 9-11 a.m. Friday, June 21, in HCAT 116, the final exam. Optional review period 8-9 a.m.

Cost: $90 includes $12 fee.

Prep Kitchen

Develop the skills and knowledge necessary to prepare soup, stock and sauce using classical cooking methods for a working restaurant. Discuss basic kitchen management techniques including sanitation and organizational skills. Taste and critique recipes prepared in a professional kitchen environment. Prerequisites: HCT-359 Hot Kitchen, HCT-333 Servsafe Sanitation Certification and HCT-360 Baking Kitchen.

Note: Students must wear HCAT uniform.

Cost: $882 includes $282 fee.

Professional Cooking

Restaurant Kitchen

Using classical cooking methods, develop skills necessary for station work, plating techniques, banquet foods, casual dining and fine dining in a working restaurant. Discuss and practice basic kitchen management techniques including sanitation and organizational skills. Taste and critique recipes prepared in a professional kitchen environment. Prerequisites: HCT-359 Hot Kitchen, HCT-333 Servsafe Sanitation Certification, HCT-360 Baking Kitchen and HCT-361 Prep Kitchen.

Note: Students must wear HCAT uniform.

Cost: $832 includes $282 fee.
HEALTH AND MEDICAL

**Assisted Living Manager**

For caregiver training, see Health in the personal enrichment section, page 53.

**Assisted Living Manager**

Learn about assisted living residential care management. Examine the basics of business management and operation, admission and discharge criteria, clinical management of residents, service planning, nutrition, food safety, dementia, mental health, behavior management, emergency planning, and how the aging process impacts care. CEUs issued. Note: 8.0 contact hours/80 CE hours issued. Meets Maryland Department of Health and Mental Hygiene, Office Health Care Quality licensing regulations.

**Cost:** $952 includes $57 fee.

**ALM-501-301**  
July 16-Aug 15  
9 am-6 pm  
Kennedy

---

**Basic Life Support, CPR and First Aid**

**CPR for Health Care Professionals**

Health care providers, rescue personnel and lifeguards learn infant, child and adult CPR, use of the automated external defibrillator (AED), mouth-to-mouth, use of barrier devices and bag-mask techniques. CEUs issued.

Note: Students receive a two-year certification. There is no recertification course due to 2015 AHA licensing regulations. AEDs can be used successfully by minimally trained emergency personnel, lay responders and family members or co-workers of people at high risk for sudden cardiac death. Textbook information available at AACC Bookstore.

**Cost:** $62 includes $17 fee.

**SRG-223-301**  
June 8  
9 am-5 pm  
Arnold-Main  
Hastings

---

**Heart Saver AED**

Learn CPR for infants, children and adults, and effective use of the automated external defibrillator (AED) to shock the death-producing abnormal heart rhythm of ventricular fibrillation. AEDs can be used successfully by minimally trained emergency personnel, lay responders and family members or co-workers of people at high risk for sudden cardiac death. Textbook information available at AACC Bookstore. Read book before class. Dress comfortably. Students who come unprepared may be asked to attend another class.

**Cost:** $50† includes $20 fee.

**SRG-223-302**  
July 25  
9 am-5 pm  
Arnold-Main  
Hastings

---

**Heart Saver First Aid Skills Testing**

Gain hands-on experience for the AHA Heart Saver CPR/AED course that includes parts 2 and 3, skills practice and testing. CEUs issued. Prerequisite: Heart Saver CPR/AED Part 1 e-learning course.

**Cost:** $50† includes $20 fee.

**SRG-223-303**  
Aug 3  
9 am-5 pm  
Arnold-Main  
Hastings

---

**Basic Life Support (BLS) Health Care Provider Skills Testing**

Gain hands-on experience of the AHA Basic Life Support (BLS) Health Care Provider course including parts 2 and 3, skills practice and testing. CEUs issued. Prerequisite: Basic Life Support (BLS) Health Care Provider (HCP) Part 1 e-learning course.

**Cost:** $85† includes $46 fee.

**NRM-518-301**  
July 17  
10 am-noon  
Hastings

---

**Heartsaver First Aid CPR AED**

Child care providers, teachers, camp counselors, security personnel, fitness trainers, lifeguards and any other nonmedical individuals learn adult, infant and child CPR, and choking procedures. Discuss basic first aid, medical emergencies and environmental emergencies. Train to use an automated external defibrillator (AED). Textbook information available at AACC Bookstore. CEUs issued.

**Cost:** $112 includes $22 fee.

**NRM-332-301**  
June 1  
9 am-5 pm  
Arnold-Main  
Hastings

---

**Heartsaver CPR/AED Skills Testing**

Gain hands-on experience for the AHA Heart Saver CPR/AED course that includes parts 2 and 3, skills practice and testing. CEUs issued. Prerequisite: Heart Saver CPR/AED Part 1 e-learning course.

**Cost:** $50† includes $20 fee.

**NRM-519-301**  
July 25  
9 am-5 pm

Nursing

Students involved in clinical placement (Licensed Nurse Refresher and Medicine Aide students) are required by the college to complete a criminal background check. Final acceptance in the program shall be contingent upon satisfactory completion of a criminal background check. A separate criminal background check also may be required by a clinical site prior to placement. If a student is denied from a clinical site, due to a background check result, the student shall be dismissed from the program and his/her registration withdrawn from courses related to the program. Students may be dismissed automatically from the program if they have not been truthful or have provided inaccurate information in the application. For information visit www.aacc.edu/programs-and-courses/job-training click on health-care-professions or contact the Continuing Professional Education office cpe@aacc.edu or 410-777-2970.

For information regarding a continuing education certificate in Licensed Nurse Refresher and Medicine Aide, see page 10.

Licensed Nurse Refresher: Part 1 Theory

Registered nurses and licensed practical nurses with an active or inactive Maryland nursing license planning to re-enter the nursing field, can review medical-surgical nursing topics including anatomy, physiology, major disease pathology and treatment strategies. Study pharmacology, physical assessment, nursing process, documentation and patient care trends. CEUs issued. Note: Registration requires program coordinator approval prior to registration.

Cost: $952 includes $237 fee.
NRG-306-301 Aug. 21-26, 30 9 am-5 pm

Licensed Nurse Refresher Part 2 Clinical

Gain hands-on experience in a hospital setting as a registered nurse or licensed practical nurse. Practice skills for four weekends in acute medical-surgical nursing and subacute nursing facilities supervised by practicing nursing experts. Dedicate three college lab days to practicing physical assessment and psychomotor skills. Handle patient assignments, complete documentation and care plans, and administer medications. CEUs issued. Corequisite: NRG-306 Licensed Nurse Refresher Part 1 Theory. Note: Registration requires program coordinator’s approval.

Cost: $962 includes $222 fee.
NSN-387-301 Oct. 12-Dec. 9 4 pm

CNA/GNA/PCT Theory

Learn to function as a patient care assistant within the health care team through lectures, simulated nursing skills practice in a college laboratory, and clinical practice in the hospital or long-term care facility. Practice selected procedures on other students during lab. Approved by Maryland Board of Nursing as meeting Certified Nursing Assistant requirements. Endorsed by the Maryland Department of Health and Mental Hygiene as meeting requirements for the Geriatric Nursing Assistant (GNA) state registry exam. Fee required for state registry exam. CEUs issued. Corequisite: OPA-346 Career Development, NRN-334 CNA/GNA/PCT Skills Lab/Clinical. Note: Prior to enrolling, students must attend an information session. Call 410-777-7387 for session dates and times.

Cost: $644 includes $282 fee.
NRN-333-301 Aug. 6-Sep. 12 4 pm

CNA/GNA/PCT - Skills Lab/Clinical

Prepare to be a patient care assistant within the health care team through lectures, simulated nursing skills practice in a college laboratory, and clinical practice in the hospital or long-term care facility. Practice selected procedures on each other. Approved by Maryland Board of Nursing as meeting Certified Nursing Assistant requirements. Endorsed by the Maryland Department of Health and Mental Hygiene as meeting requirements for the Geriatric Nursing Assistant (GNA) state registry exam. Fee required for state registry exam. Students must pass a state and federal background check. CEUs issued. Corequisite: OPA-346 Career Development, NRN-334 CNA/GNA/PCT Theory.

Cost: $1,076 includes $442 fee.
NRN-334-301 Sep. 17-Dec. 15 4 pm

Licensed Nurse Refresher: Theory

RNAs and LPNs with active or inactive Maryland nursing license planning to re-enter the nursing field can review medical/surgical nursing topics including anatomy, physiology, major disease pathology and treatment strategies. Study pharmacology, physical assessment, nursing process, documentation and patient care trends. CEUs issued.

Note Online course. Cannot sign up for NSN-387 until after completion of NRN-521. Call 410-777-2850 for information.

Cost: $952 includes $237 fee.
NRN-521-301 Sept. 16-Dec. 2 4 pm

Medical Aide Update

Certified medical aides receive information on state regulations, new drug and care procedures, and commonly used medications. CEUs issued.

Note: Students who complete successfully will receive a two-year certificate. Prior approval from program coordinator required to register.

Cost: $92 includes $17 fee.
NRG-388-301 Aug. 3 4 pm

RN, CM/DN Training Program in Assisted Living

Maryland Board of Nursing-approved course required for nurses wanting to be RN case managers or delegating nurse in the assisted living setting. The RN, CM/DN meets the requirements to delegate nursing functions including medication administration, and also to supervise the medication technician.

The nurse will be authorized to teach the 20-hour Medication Administration Training Program to the Medication Technician (MT) working in the assisted living setting. CEUs issued. Note: Includes light breakfast and work lunch. Download a copy of the Nurse Practice Act booklet from www.mbson.org and the Assisted Living COMAR Regulations 10.07.14 available at www.dsd.state.md.us.

Cost: $257 includes $57 fee.
NRN-500-301 Jun 21-22 4 pm

Health Care IT

HIC-537 Medical Terminology: A Word Association Approach

Search www.ed2go.com/aacc or see pages 92-93 for information.
Licensure Preparation

Real Estate Principles
A comprehensive study of real estate practices, ethics, laws and environmental concerns. Completion of 60 clock hours meets the Maryland Real Estate Commission’s requirements to apply for a real estate license. Certification requires full attendance on all class dates to sit for license. Textbook information available at AACC Bookstore. CEUs issued.

Note: 60 hours of classroom attendance and passing the final exam required.

Cost: $565 includes $7 fee.

Home Inspector
Learn how to conduct inspections of homes, condos and other residential dwellings to receive a Maryland home inspector license. Textbook information available at AACC Bookstore. CEUs issued.

Note: 77 hours of classroom attendance and passing the final exam required. Approved by the Maryland Commission of Real Estate Appraisers and Home Inspectors to provide home inspector prelicensing training. Previous construction industry experience preferred.

Cost: $864 includes $12 fee.

Praxis Core Prep: Writing Skills
Review the writing skills necessary for successful completion of Praxis Core Academic Skills for Educators Test. Study grammar and language rules in writing, including error recognition and essay writing. Emphasize test-taking strategies. CEUs issued.

Cost: $42 includes $7 fee.

Praxis Core Prep: Math Skills
Review the application of math skills necessary for successful completion of Praxis Core Academic Skills for Educators Test. Review problem solving, reasoning, estimating and interpreting quantitative information, and emphasize test-taking strategies. CEUs issued.

Cost: $53 includes $7 fee.

Educator Portfolio Development
Learn about setting the purposes of the portfolio, then selecting artifacts to support and enhance that purpose. Develop skills needed to identify, analyze and reflect on artifacts appropriate for inclusion in a portfolio which documents accomplishments and talents. Examine the alignment and organization of artifacts to reflect growth and learning that have occurred as a result of the creation of each artifact. CEUs issued.

Note: Online course. All sections also offered for credit, EDU-230.

Cost: $119 includes $7 fee.

Assessing the Adult Learner
Analyze current thinking on assessing adult learners in a comprehensive, practical fashion. Examine the principles of assessment including planning, creating an assessment toolkit, and understanding and using assessment results. Discover the uses of common assessment tools, including teacher-made tests, commercial materials, authentic assessments, alternative assessments and performance-based assessments. Textbook information available at AACC Bookstore. CEUs issued.

Note: Online course. All sections also offered for credit, EDU 219.

Cost: $119 includes $7 fee.

BASIC EDUCATION

ADULT BASIC SKILLS (ABS)

ABS classes are designed for students who do not have a high school diploma and need to review and improve basic skills in math, science, social studies and reasoning through language arts. Students in ABS classes may be referred to the GED Ready™ practice test or the class, Mathematical Reasoning for the GED® once qualifying scores have been achieved.

To be eligible for FREE ABS classes, students must be 18 or older and officially withdrawn from high school. Call 410-777-1823 to schedule an appointment for an orientation prior to starting class.

For information, visit www.aacc.edu/basicskills or call 410-777-1823.

Note: Not all classes may be offered each term.

GENERAL EDUCATIONAL DEVELOPMENT (GED)

GED READY™

GED Ready™ (Practice Test) is half the length of the actual GED® tests and includes questions similar in content, difficulty, and format to the actual tests. This is an excellent predictor of how you may perform on the official tests. After completing the GED Ready™, staff will meet with you to discuss your scores and make recommendations.

To be eligible to take the GED Ready™ (practice test), you must first attend an orientation session and receive qualifying scores. Call 410-777-1823 to schedule your orientation.

MATHEMATICAL REASONING FOR THE GED® CLASS

Prepare for the 2014 GED® Test by taking the class, Mathematical Reasoning for the GED®. This math class is designed to review math skills needed for the GED® test and will provide instruction in number sense and operations, data analysis, algebra, geometry, and test taking strategies.

Enrollment requires instructor recommendation and qualifying scores on the GED Ready™.

These classes are funded by a grant from Maryland Literacy Works and the U.S. Department of Education.

COLLEGE AND CAREER COUNSELING

Meet with a counselor to plan for your future. Explore career pathways, continuing education and job training opportunities, and start your job search.

The total cost of this project is $644,438 of which 46 percent ($299,382) is funded through the U.S. Department of Education, 34 percent ($216,168) is funded through the state of Maryland Department of Labor, Licensing and Regulation, and 20 percent ($128,888) is supported by Anne Arundel Community College.
ENGLISH AS A SECOND LANGUAGE

AACC offers a comprehensive ESL program with a variety of courses at the intermediate, high intermediate, advanced and capstone levels. Courses are designed to provide students with the English language skills they need for success at work, in the community or for academic purposes. For information, call the ESL office 410-777-2901 or visit www.aacc.edu/esl.

INFORMATION FOR NEW STUDENTS
New students must:
• Submit an application to the admissions office.
• Take the ESL placement test.
• Get advice about ESL courses.
• Register for courses.
• Pay tuition.

ESL PLACEMENT TEST
The ESL placement test is offered at the following locations:

AACC AT ARUNDEL MILLS
Testing Center, Room 112
Call 410-777-1915 for testing hours.

ARNOLD
Testing Center, Student Union Building
Room 240
Call 410-777-2375 for testing hours.

GLEN BURNIE TOWN CENTER
Testing Center, Room 208
Call 410-777-2906 for testing hours.
Students must bring an official ID with a photograph and signature to the testing center.

ESL ADVISING SERVICES
GBTC/ARUNDEL CENTER NORTH
8:30 a.m.-8 p.m. Monday-Friday
Room 401

ESL REGISTRATION
Registration services for ESL courses are available at the following locations:

AACC AT ARUNDEL MILLS
STUDENT SERVICES CENTER
8:30 a.m.-8 p.m. Monday-Thursday
8:30 a.m.-4:30 p.m. Friday

STUDENT SERVICES CENTER, FIRST FLOOR
8:30 a.m.-8 p.m. Monday-Thursday
8:30 a.m.-4:30 p.m. Friday

FORT MEADE
Call 301-677-6421 for appointment and location. Military ID required.

GLEN BURNIE TOWN CENTER,
ARUNDEL CENTER NORTH
Student Services, second floor
8 a.m.-8 p.m. Monday-Thursday

Anne Arundel Community College is an Equal Opportunity Employer.

As a condition of employment and in connection with your employment application process, Anne Arundel Community College shall conduct a background check on all candidates selected for employment. The information contained in such background reports shall be used for job relevant employment purposes. All offers of employment are contingent upon the favorable results of a background check screening.

While we appreciate your interest in employment with Anne Arundel Community College, we regret that we are unable to sponsor employment Visas for job applicants at this time.

Anne Arundel Community College (AACC) has responded to the needs of a diverse community for more than 50 years by offering high quality, affordable and accessible learning opportunities. Established in 1961, AACC is a fully-accredited, public two-year institution that offers national and regional studies that can lead to a degree or certificate, industry credential, transfer to a four-year institution, or career enhancement, personal enrichment and lifelong learning. AACC is committed to supporting and sustaining a diverse and inclusive educational environment with learning as our central mission. Diversity is not merely a goal but a value that is embedded throughout the institution in multiple areas including (but not limited to): learning, teaching, student development, institutional functioning, and engagement in partnerships with the local and global community. AACC is an equal opportunity employer who values the power of diversity and the strength it brings to the workplace.

NEW COURSES ADDED DAILY, VISIT WWW.AACC.EDU/NONCREDIT
SENIORS

Are you an active, older adult and want to join one of the fastest growing programs at AACC? Did you know AACC offers a variety of programs that you, your spouse and friends may want to consider joining?

AACC offers the Seniors Program for adults 60 and older. For just $80 per quarter, seniors can enroll in as many courses as desired at one of the participating senior centers listed below or for a senior-designated course at AACC in Arnold. Keep in mind that course meeting times cannot overlap. Even adults 55 to 59 years old may enroll in Seniors Program courses by paying the $80 per quarter plus a $40 tuition fee and any applicable supply fees.

Seniors may register online, by mail or in person at AACC’s Center for Applied Learning and Technology (CALT) Room 115 in Arnold.

Students taking courses at a senior center must join that center in advance of the course start date. There is no charge for senior center membership.

For a list of senior center courses, contact your local senior center or visit www.aacc.edu/seniors.

Guild for L.I.F.E.

AACC’s Guild for L.I.F.E. (Learning is for Everyone) is a learning community in which members have the opportunity to attend a series of lectures and participate in related tours. Each lecture is an informational presentation regarding the upcoming tour of that month. Transportation to tours is provided by AACC.

The cost for the lecture and tour is $59 per term. Entrance fees and meals for the events are an additional cost. Participants must be able to walk without assistance or provide their own caregiver. Caregivers also must register as a Guild member. The cost to attend the lecture only is $17.

This is the monthly group to join if you are looking for great social interaction once a month, good conversation, excellent field trips and friendly people! For information on the Guild and upcoming lectures and tours, refer to the Guild for L.I.F.E. section on page 61 in this schedule of classes or visit www.aacc.edu/guild.

Peer Learning Partnership

The Peer Learning Partnership (PLP) is a self-directed learning community sharing personal growth and enrichment through classes, discussion groups, cultural events and social activities. Membership in PLP costs $30 every six months (January through June and July through December) and entitles you to enroll in classes and cultural events, and to attend – at no additional charge – Fridays with Friends presentations and social activities. For information regarding the Peer Learning Partnership, see page 58 or visit www.aacc.edu/plp.
Computer Technology

**iPhone Basics**
Optimize your ability to use the many features of your iPhone. Create an Apple ID, an iTunes account, adjust your settings, browse the web using Safari, set up email and learn how to add apps. **Note: Students must bring an iPhone.**

**Gifted and Talented camp**

*3-D Video Gaming, Introduction to*
Go well beyond the limitations of the traditional 2-D game design classes and create an immersive 3-D world. Learn the physics behind 3-D games. Explore beginner event scripting, level design, controlling flow of game play and storytelling.

*Note: Offered in partnership with Black Rocket Productions. Games will be available through a password-protected Black Rocket website.

*Cost: $200 includes $145 fee.*

**KDD-864-301**
June 17-21, 5 sessions
MTuWThF, 9 am-noon, GRADES 3-5

---

**Advanced Robotics**
Program a robot to overcome challenges using visual and text-based programming. Control the robot's sensors and maneuver around obstacles. With a teammate, apply coding concepts while using scientific methods to formulate, observe, experiment, test and modify the robot.

*Note: In Partnership with Black Rocket Productions. Camper work will be available through a password-protected Black Rocket website.*

*Cost: $200 includes $145 fee.*

**KDD-875-301**
July 29-Aug. 2, 5 sessions
MTuWThF, 1-4 pm, GRADES 6-8

---

**3-D Video Game With Unity, Advanced**
Learn level editing, 3-D modeling, intermediate event scripting and the impact of game play on user experience. Student-created games will be available on a password protected Black Rocket website to share with family and friends.

*Note: In Partnership with Black Rocket Productions. Camper work will be available through a password-protected Black Rocket website.*

*Cost: $200 includes $145 fee.*

**KDD-866-301**
June 17-21, 5 sessions
MTuWThF, 9 am-noon

---

**Gifted and Talented camp**

**New! Adventures in STEM with Lego**
Let your imagination run wild with tens of thousands of Lego parts! Build engineer-designed projects like trains, helicopters, treehouses and beam bridges. Explore your craziest ideas in a supportive environment.

*Note: Offered in partnership with Play-Well TEnOlogies.

*Cost: $189 includes $141 fee.*

**KIK-811-301**
July 29-Aug. 2, 5 sessions
MTuWThF, 1-4 pm

---

**New! Algebra 2**
Review the concept of a function, coordinates on a plane, straight lines, circles, parabolas and application problems. Skills involving fractions and factoring are reinforced.

*Note: Offered in partnership with Yang Academy.

*Cost: $235 includes $185 fee.*

**GTE-874-301**
Aug. 5-9, 5 sessions
MTuWThF, 9 am-noon, GRADES 9-12

---

**All About Technology**
Discover the Fundamentals of technology. Build circuits, program robotic devices and use a GPS to play a high-tech game of hide and seek. Practice orienteering, treasure hunting and waymarking, better known as geocaching.

*Note: Offered in partnership with Goldsmith Education.

*Cost: $188 includes $132 fee.*

**GTE-829-301**
July 8-12, 5 sessions
MTuWThF, 9 am-noon

---

**Amazing Adventures with Magic Tree House**
Join Jack and Annie as they travel around the world and experience times past. Enjoy your favorite books and bring them to life through creative writing, crafts and activities.

*Cost: $159 includes $33 fee.*

**KDS-847-301**
Aug. 5-9, 5 sessions
MTuWThF, 9 am-noon, GRADES 1-2

---

**An American Girl Adventure**
Learn about American girls in history through activities, skits and period dances. Join us for a formal tea party and performance.

*Cost: $285 includes $50 fee.*

**YUH-890-301**
July 8-12, 5 sessions
MTuWThF, 9 am-4 pm, GRADES 1-5

---

**Anime 2**
Explore different genres of anime (Japanese animation) and manga (Japanese comics) including Mecha, Sentai and Maho Shojo. Continue developing your own original characters and story. Focus on the technique involved in drawing and storytelling.

*Prerequisite: YGH 887 Japanese Anime 101.

*Cost: $159 includes $33 fee.*

**YUT-846-301**
Aug. 5-9, 5 sessions
MTuWThF, 9 am-noon

---

**Rise and Shine Holiday**
Start your morning with board games and a movie.

*Note: Campers will be escorted to their morning or full-day camp.

*Cost: $34 includes $11 fee.*

**KDS-801-301**
July 2-6, 4 sessions
MTuThF, 7:30-8:50 am

---

**Rise and Shine**
Start your morning with board games and a movie.

*Note: Campers will be escorted to their morning or full-day camp.

*Cost: $42 includes $12 fee.*

**YUT-885-301**
June 11-15, 5 sessions
MTuWThF, 7:30-8:45 am

---

**Lunch Bunch**
Campers registered for both a morning and afternoon camp join other all-day campers for a supervised lunch and outside play (weather permitting).

*Note: Required for campers enrolled in two half-day camps. Campers will be escorted from and to each camp.*

**KDS-803-301**
June 11-15, 5 sessions
MTuWThF, 12:05-12:55 pm

---

**Club OT:**
For students enrolled in full-day camps, join in the fun of creating arts and crafts projects, playing board and word games, or watching a video.

*Note: Campers will be escorted to and from their full-day camp.

**Cost: $77 includes $22 fee.*

**YOU-877-301**
June 11-15, 5 sessions
MTuWThF, 7:30-8:45 am / 4-6 pm

---

**Club OT: July 4**
Begin and end your day playing board games, creating arts and crafts projects or watching a video. Designed for students enrolled in camps during the Fourth of July week.

*Cost: $47 includes $12 fee.*

**KDD-827-301**
July 2-6, 4 sessions
MTuThF, 7:30-8:45 am / 4-6 pm

---

KIDS IN COLLEGE SUMMER 2019 CAMPS

Chesapeake Bay: An Artist’s View, The
Learn about life on and in the Chesapeake Bay. Create sculptures, mosaics, and watercolor paintings of the unique creatures that can be found along the shores and in the deep waters.
Cost: $150 includes $33 fee.
YTR-818-301 June 24-28 Arnold-Main Boudra
5 sessions MTuWThF 1-4 pm GRADES 1-2

Circus Camp Stars Senior
Gain confidence and improve coordination while learning circus skills including acrobatics, juggling, physical comedy, clowning and tightwire walking. Toss a pie at the instructor on Pie in the Face Day.
Note: Offered in partnership with Circus Camp Stars.
Cost: $315 includes $227 fee.
YEP-992-301 Aug. 5-9 Arnold-Main
5 sessions MTuWThF 9 am-4 pm GRADES 3-8

Junior Circus Camp Stars
Learn basic circus performance skills including spinning plates, balancing feathers and sticks, juggling scarves, tumbling, and clown skills and gags. Create circus themed arts and crafts.
Note: Offered in partnership with Circus Camp Stars.
Cost: $315 includes $227 fee.
YTR-898-301 Aug. 5-9 Arnold-Main
5 sessions MTuWThF 9 am-4 pm KINDERGARTEN-2

Code Breakers
Learn the basics of coding languages like HTML5, JavaScript and CSS through a series of daily Web projects and design challenges.
Note: Offered in partnership with Black Rocket Productions. Campers work will be available through a password-protected Black Rocket website.
Cost: $200 includes $145 fee.
YTR-843-301 July 15-19 Arnold-Main
5 sessions MTuWThF 9-4 pm GRADES 6-8

Code Your Own Adventure! Interactive Storytelling
Blend storytelling with animation techniques and coding and watch characters in your imagination come to life. Start with a concept, design the characters and choose multiple endings! Learn to create text-based adventure games with variables, conditional logic, images, HTML, CSS and JavaScript.
Note: In Partnership with Black Rocket Productions. Camper work will be available through a password protected Black Rocket website.
Cost: $200 includes $145 fee.
KDD-873-301 July 8-12 Arnold-Main
5 sessions MTuWThF 9 am-noon GRADES 6-8
KDD-873-302 July 8-12 Arnold-Main
5 sessions MTuWThF 1-4 pm GRADES 6-8

New! Coding and Robotics with Lego Boost, Intermediate
Learn linear coding in Lego’s Scratch-based programming Boost App, including coding in multiple applications: building humanoid robots, automated vehicles, creating art and music, and manufacturing avenues. Work in teams on a Vennie robot build and complete challenges in coding movements and behaviors.
Note: Offered in partnership with Goldsmith Education.
Cost: $188 includes $132 fee.
GTE-677-301 July 29-Aug. 2 Arnold-Main
5 sessions MTuWThF 1-4 pm GRADES 6-8

New! College Without Loans
Uncover the secrets to finding scholarship opportunities, and how to successfully applying for financial aid with the goal of graduating from college debt-free! Learn to write creative scholarship essays enhancing your chance of securing money at the college of your choice.
Cost: $159 includes $33 fee.
KDD-890-301 Aug. 5-9 Arnold-Main
5 sessions MTuWThF 1-4 pm GRADES 9-12

Comprehensive English Preparation for the SAT
Prepare for the College Board’s 2018 SAT through intensive, focused practice. Practice critical reading and writing skills, and develop progressive vocabulary and essay building. Review test-taking strategies and time management tips. Textbook information available at AACC Bookstore.
Note: Students age 16 years and older register for SKL 358 Comprehensive English Preparation for the SAT.
Cost: $139 includes $7 fee.
KIC-844-301 July 13-Aug. 17 Arnold-Main Heline
6 sessions Sa 1-4 pm

Comprehensive Math Preparation for the SAT
Note: Students age 16 years and older register for SKL 359 Comprehensive Math Preparation for the SAT.
Cost: $139 includes $7 fee.
KIC-845-301 July 13-Aug. 17 Arnold-Main Heline
6 sessions Sa 9:30 am-12:30 pm

Gifted and Talented camp
Campers work in teams

REGISTRATION INFORMATION 410-777-2325
Comprehensive SAT Preparation
An intensive, comprehensive review and practice of math and verbal skills to prepare to take the revised College Board’s Scholastic Aptitude Test (SAT). Practice skills, work on progressive vocabulary and essay building with review of test-taking strategies.
Note: Students age 16 years and older register for SAT. 334 Comprehensive SAT Preparation. SAT workbook is included.
Cost: $165 includes $39 fee.
YUH-881-301 Aug. 12-16 Arnold-Main Helene
5 sessions MTuWThF 1-4 pm GRADES 9-12

Creative Design and Robotics
Design and build a robot. Learn the basic principles of design and use problem-solving to improve your creation. Compete in a series of challenges.
Note: Offered in partnership with Black Rocket Productions. Camper will be available through a password protected Black Rocket website.
Cost: $200 includes $145 fee.
YEP-828-301 July 29-Aug. 2 Arnold-Main
5 sessions MTuWThF 9 am-noon GRADES 3-5

Creative Writing
Learn the skills you need to write successful stories. Write prompts and fill a notebook with great ideas and fragments that may form the backbone of future short stories or novels.
Cost: $159 includes $57 fee.
GTE-843-301 July 22-26 Arnold-Main
5 sessions MTuWThF 9 am-noon GRADES 3-5

Creative Writing
Learn the skills you need to write successful stories. Write prompts and fill a notebook with great ideas and fragments that may form the backbone of future short stories or novels.
Cost: $159 includes $57 fee.
GTE-843-301 July 22-26 Arnold-Main
5 sessions MTuWThF 9 am-noon GRADES 3-5

New! Cuisine Around the World
Get ready to peel, chop, dice and mince your way around the world. Broaden your palate as you prepare foods from New Orleans to India with many stops in between.
Cost: $185 includes $57 fee.
KIK-818-301 July 22-26 Arnold-Main
5 sessions MTuWThF 1-4 pm GRADES 6-8

New! Dancing KIC Stars
Learn the dance basics of jive, disco, Broadway and hip-hop. Perform a short dance routine to the music of your choice. A performance for family and friends will be at 2:45 p.m. on the last day of camp.
Cost: $286 includes $42 fee.
KDO-891-301 July 22-26 Arnold-Main Baron
5 sessions MTuWThF 9 am-4 pm GRADES 3-8

Dancing on Broadway: Act 1
Learn a variety of dance techniques including ballet, tap, jazz and more. Prepare stage sets, make costumes and props, and learn how to apply makeup. Participate in a performance.
Cost: $455 includes $82 fee.
YUH-889-301 July 29-Aug. 2 Arnold-Main Baron
10 sessions MTuWThF 9 am-4 pm GRADES 1-8

Digital Animation
Explore the art of cartooning from the early 20th century to the present. Create traditional pencil test animations using light traces, photography and scanning with the option of adding voice over and sound effects. Recommended for habitual doodlers.
Cost: $159 includes $33 fee.
TGT-847-301 July 15-19 Arnold-Main Alexander
5 sessions MTuWThF 1-4 pm GRADES 6-12
TGT-847-302 July 26-Aug. 2 Arnold-Main Alexander
5 sessions MTuWThF 9 am-noon GRADES 6-12

Digital Palette
Create artwork using Photoshop. Go beyond editing photos and learn to manipulate them into works of art. Create digital mosaics. Combine photographs and scanned images together. Learn to color black and white photos.
Cost: $255 includes $33 fee.
YTR-860-301 July 22-26 Arnold-Main Alexander
5 sessions MTuWThF 9 am-4 pm GRADES 6-12

New! Dinosaur Safari
Discover where all the dinosaurs have gone. Learn about dinosaurs and other fossils. Make your own fossil and watch a volcano erupt.
Cost: $159 includes $33 fee.
YEP-807-301 June 17-21 Arnold-Main
5 sessions MTuWThF 9 am-noon KINDERGARTEN

Dissection: Computer Technology
Explore the way computers are made! Take a working computer apart, examine the pieces and put it back together! Explore the evolution of personal computing and what tomorrow may hold for technology.
Note: Offered in partnership with Goldsmith Education.
Cost: $188 includes $32 fee.
GTE-835-301 July 15-19 Arnold-Main
5 sessions MTuWThF 1-4 pm GRADES 6-12
GTE-835-302 Aug. 5-9 Arnold-Main
5 sessions MTuWThF 9 am-noon GRADES 6-12

Down on the Farm
Join the fun as we learn about the habits and lifestyles of our fine, furry and feathery friends on the farm through activities, crafts, stories, songs and finger plays. E-I-E-I-O!
Cost: $159 includes $33 fee.
YUH-865-301 July 22-26 Arnold-Main
5 sessions MTuWThF 1-4 pm KINDERGARTEN

Drawing Techniques
Learn the fundamental elements of line, value, form, perspective, composition and proportion. Draw various subjects from direct observation.
Cost: $159 includes $33 fee.

Hogwarts Academy 2
Continue your wizard training at the Hogwarts School for Witchcraft and Wizardry! Explore new hands-on activities to expand your knowledge of potions, charms, spells, herology, crafts and games.
Cost: $159 includes $33 fee.
KDD-840-301 July 29-Aug. 2 Arnold-Main Martin GRADES 6-8
5 sessions MTuThF 9 am-noon

Japanese Anime 101
Examine Japanese-style animation, from its introduction to American culture more than 30 years ago to the present. Explore anime’s content, symbolism and culture.
Cost: $199 includes $41 fee.
YOH-888-301 July 22-26 Arnold-Main Boyd GRADES 6-12
5 sessions MTuThF 1-4 pm

Jedi Engineering
Explore worlds far, far away through engineering principles. Defeat the Empire by designing and refining X-Wings, R2 units and settlements. Use Lego bricks to create motorized and architectural projects including energy catapults, shield generators and defense turrets.
Note: Offered in partnership with Play-Well TEKnologies.
Cost: $199 includes $41 fee.
YTR-854-301 July 15-19 Arnold-Main GRADES 1-2
5 sessions MTuThF 9 am-noon

Jedi Master Engineering
The Force is strong in this class. Use Lego bricks to build complex machines and structures based on designs from a far-off galaxy. Tap into imagination and explore engineering concepts such as gear trains, worm drives, pneumatics and eccentric motion.
Note: Offered in partnership with Play-Well TEKnologies.
Cost: $199 includes $41 fee.
YTR-853-301 July 15-19 Arnold-Main GRADES 3-5
5 sessions MTuThF 1-4 pm

Kids in the Kitchen
Enhance culinary skills in a professional kitchen while learning and preparing new dishes. Learn culinary vocabulary and techniques to wow your family and friends. Talk about food and kitchen safety, food presentation and the best way to serve and eat. Apron will be provided.
Cost: $315 includes $90 fee.
KDD-841-301 June 17-21 Arnold-Main GRADES 6-8
5 sessions MTuThF 9 am-4 pm
KDD-841-302 June 8-12 Arnold-Main GRADES 6-8
5 sessions MTuThF 9 am-4 pm
KDD-841-303 June 15-19 Arnold-Main GRADES 6-8
5 sessions MTuThF 9 am-4 pm

Lego Films and Stop Action
Create a short film with other campers that brings Lego bricks or action figures to life.
Note: Students need to bring Lego bricks or action figures from home to film. Offered in partnership with Black Rocket Productions.
Cost: $200 includes $145 fee.
YEP-810-301 July 8-12 Arnold-Main GRADES 1-2
5 sessions MTuThF 9 am-noon

Mad Scientist Training Academy
Drop feathers, hammers and watermelons in a quest to understand gravity. Build an aluminum boat to investigate buoyancy. Learn about blood and how our basic bodily functions work. Observe chemical reactions that produce smoke, fire and explosions.
Note: Students must wear closed-toe shoes.
Cost: $265 includes $35 fee.
YUR-894-301 June 17-21 Arnold-Main Barbour GRADES 1-2

5 sessions MTuThF 9 am-4 pm

Make Your First 2-D Video Game
Learn the keys to designing your first 2-D video game. Explore conceptualization, play experience, challenge level, graphics, music, sound and simple coding.
Note: Offered in partnership with Black Rocket Productions. Camper work will be available through a password-protected Black Rocket website.
Cost: $200 includes $145 fee.
YEP-810-301 July 15-19 Arnold-Main GRADES 3-5
5 sessions MTuThF 9 am-noon

Gifted and Talented camp
Campers work in teams
**New! Makerspace Sounds: DIY Electric Guitar Construction Lab**

Design and build a working electric guitar and mini amp from scratch! Cut, connect, sand, solder, detail and tune high quality materials from the garage, hardware store and junkyard into a playable rig and practice amplifier! Assemble a neck, complete with tuners, strings, hand soldered piezo pickup, resonating body and neck strap using real tools.

*Note: Offered in partnership with FutureMakers.*

Cost: $250 includes $176 fee.

- KIK-822-301 June 24-28 Arnold-Main
  5 sessions MTuWThF 1-4 pm GRADES 6-9

- KIK-822-302 July 29-Aug. 2 Arnold-Main
  5 sessions MTuWThF 9 am-noon GRADES 6-9

**New! Makerspace Sounds: Instrument Invention Lab**

Learn how sound works in this material-based exploration lab, designed for emerging tinkers, inventors, artists and engineers who are ready to activate STEM thinking. Transform everyday building materials and electronic components into wind, percussion, string instruments and electronic sound machines! Learn how to measure and mark, safely use saws, hammers, drills, and specialized tools — with wood, PVC and electronic materials.

*Note: Offered in partnership with FutureMakers.*

Cost: $240 includes $166 fee.

- KIK-823-301 June 24-28 Arnold-Main
  5 sessions MTuWThF 9 am-noon GRADES 3-5

- KIK-823-302 July 29-Aug. 2 Arnold-Main
  5 sessions MTuWThF 1-4 pm GRADES 3-5

**New! Makeup Artistry Special Effects**

Learn to produce “gory” designs with makeup in this beginning special effects camp. Practice and learn the art of makeup application using placement, coloration and blending to create realistic effects. All materials will be provided. Latex products will be used in this camp.

*Note: Offered in partnership with Landre SIX.*

Cost: $212 includes $137 fee.

- KDO-895-301 July 9-12 Arnold-Main
  5 sessions MTuWThF 9 am-noon GRADES 6-12

**Manga Drawing**

Explore figure drawing and unlock the secrets of Japanese manga. Learn illustration techniques and apply them to develop characters and scenes drawn in the manga style.

Cost: $159 includes $33 fee.

- YEP-875-301 July 29-Aug. 2 Arnold-Main Boyd
  5 sessions MTuWThF 1-4 pm GRADES 6-12

**Masters in the Kitchen**

Refine your culinary skills. Continue to learn about food, from its origins on the farm to preparation in the kitchen to its presentation on the table.

*Prerequisite: Prior AACCC cooking camp or permission of the instructor.*

Cost: $315 includes $90 fee.

- KDD-847-301 June 24-28 Arnold-Main
  5 sessions MTuWThF 9 am-4 pm GRADES 9-12

- KDD-847-302 July 29-Aug. 2 Arnold-Main
  5 sessions MTuWThF 9 am-4 pm GRADES 9-12

**Math Wizards**

Learn the times tables using music, painting, rhymes, patterns and comedy skits. Build confidence in math while playing games and creating art.

Cost: $159 includes $33 fee.

- KIC-887-301 Aug. 5-9 Arnold-Main Debra
  5 sessions MTuWThF 9 am-noon GRADES 3-5

**New! Mechanical Art and Moving Machines**

Dream, design and construct handmade animatronics (electrified kinetic creatures) and automata (mechanical sculptures and moving creations). Cut wood, form plastic, drill, slice foam, and add motors and electronics! All are invited to our automata petting zoo!

*Note: Offered in partnership with FutureMakers.*

Cost: $240 includes $166 fee.

- KIK-824-301 July 8-12 Arnold-Main
  5 sessions MTuWThF 1-4 pm GRADES 6-9

- KIK-824-302 Aug. 5-9 Arnold-Main
  5 sessions MTuWThF 9 am-noon GRADES 6-9

**New! Mediterranean Culinary Adventure**

Learn the basics of preparation, working with kitchen knives and tools, and different cooking methods. Using fundamental techniques, create tasty foods from the Mediterranean region, including France and Italy.

Cost: $185 includes $57 fee.

- KIK-802-301 Aug. 5-9 Arnold-Main
  5 sessions MTuWThF 1-4 pm GRADES 6-8

**Mine, Craft, Build Adventure Game using Lego**

Bring Minecraft to life using Lego! Roll the dice to mine for resources then build special items to help in your adventures. Build a zoo, a medieval castle and a tree house village.

*Note: Offered in partnership with Play-Well TEKnologies.*

Cost: $199 includes $141 fee.

- KIC-823-301 July 22-26 Arnold-Main
  5 sessions MTuWThF 9 am-noon GRADES 1-2

**Mine, Craft, Build Survival Game using Lego**

Roll the dice to mine for resources, craft tools and watch out for the Creeper in this building adventure game! Gameplay elements and characters inspired by the Minecraft video game.

*Note: Offered in partnership with Play-Well TEKnologies.*

Cost: $199 includes $141 fee.

- KIC-824-301 July 22-26 Arnold-Main
  5 sessions MTuWThF 1-4 pm GRADES 3-5
Gifted and Talented camp
Campers work in teams
Project Funway
Create different outfits by designing accessories for your own basic black clothes. Discuss sewing techniques, pattern construction, runway choreography and more. Participate in an age-appropriate runway show.
Note: Full attendance recommended. Performance on last day.
Cost: $298 includes $65 fee.
KDS-841-301 July 15-19 Arnold-Main Baron
5 sessions MTu/WTh/F 9 am-4 pm GRADES 3-8

Python Programmers: Make Your Own Multiplayer Game!
Learn how to code with Python and create a multiplayer adventure game. Explore each step and begin a programming path that will let you challenge friends with a self-created fun game.
Note: Offered in Partnership with Black Rocket Productions. Campers work will be available through a password protected Black Rocket website.
Cost: $220 includes $65 fee.
KDD-865-301 June 22-26 Arnold-Main
5 sessions MTu/WTh/F 9 am noon GRADES 3-5

5 sessions MTu/WTh/F 1-4 pm GRADES 6-8

Recipe for Science
What do you get when you add bubbles, magnets, volcanoes and marshmallows? A recipe for fun and learning! Create and experiment with these materials and more, including invisible ink, balloons and airplanes.
Cost: $159 includes $33 fee.
GTE-813-301 July 8-12 Arnold-Main
5 sessions MTu/WTh/F 9 am-noon GRADES 1-2
GTE-813-302 Aug 5-9 Arnold-Main
5 sessions MTu/WTh/F 1-4 pm GRADES 1-2

Recycled Art
Use materials others throw away to create amazing works of art and help our environment along the way! Learn about projects like plastic bottle bricks and trash fashion as we put together and embellish found items and get inspired to brighten up our environments.
Cost: $159 includes $33 fee.
KDD-823-301 July 22-26 Arnold-Main Dell
5 sessions MTu/WTh/F 9 am-noon GRADES 1-2

Red, White and Blue Sparklers!
Join us for a full day of fun activities including hands-on science, arts and crafts, sports fun, and a field trip to Fort McHenry, home of the Star Spangled Banner.
Cost: $180 includes $40 fee.
KDD-825-301 July 1-3 Arnold-Main Mason
3 sessions MTu/W 9 am-4 pm KINDERGARTEN
KDD-825-302 July 1-3 Arnold-Main Mason
3 sessions MTu/W 9 am-4 pm GRADES 1-2
KDD-825-303 July 1-3 Arnold-Main Mason
3 sessions MTu/W 9 am-4 pm GRADES 3-5

New! Riverhawk Nest
Campers ages 5 and 6 will enjoy arts and crafts, outdoor sports, reading, science, math and other fun activities. Enrollment is limited so teachers can provide attention to each child. Campers must turn 5 by Aug. 31.
Cost: $298 includes $65 fee.
KDD-898-301 July 15-19 Arnold-Main
5 sessions MTu/WTh/F 9 am-4 pm GRADES 4-5

Roblox Makers Coders Entrepreneurs
Learn to code in Lua while playing and designing worlds in Roblox, an online universe where you can create anything you can imagine. Learn to navigate Roblox’s marketplace to publish games. Student-created games will be available to share with family and friends.
Note: Offered in Partnership with Black Rocket Productions. Campers work will be available through a password-protected Black Rocket website.
Cost: $220 includes $65 fee.
KDD-867-301 June 24-28 Arnold-Main
5 sessions MTu/WTh/F 9 am-noon GRADES 3-5
KDD-867-302 June 24-28 Arnold-Main
5 sessions MTu/WTh/F 1-4 pm GRADES 6-8

New! Roblox Makers
Unlock the power of Roblox Studio. Learn how to build 3-D models and create an adventure in your Roblox world. Student-created games will be available to share with friends and family. Campers work with a partner or team.
Note: Offered in partnership with Black Rocket Productions. Camper work will be available through a password-protected Black Rocket website.
Cost: $220 includes $65 fee.
KIK-816-301 July 22-26 Arnold-Main
5 sessions MTu/WTh/F 9 am-noon GRADES 3-5
KIK-816-302 July 22-26 Arnold-Main
5 sessions MTu/WTh/F 1-4 pm GRADES 6-8

Robotics with Mindstorm
Do you know what a robot is capable of doing? Get ready to take control! Use Lego Mindstorm robotics, build robots and program them to accomplish tasks and respond to external stimuli as the robot overcomes challenges.
Note: Offered in partnership with Goldsmith Education.
Cost: $188 includes $32 fee.
GTE-883-301 July 15-19 Arnold-Main
3 sessions MTu/WTh/F 9 am-noon GRADES 3-5

Rockets and Robotics
Work in small teams writing a step-by-step program to make things spin, light up and play music. Build and explore machines and mechanisms. Design and build a rocket to test and take home.
Note: Offered in partnership with Goldsmith Education.
Cost: $188 includes $32 fee.
GTE-831-301 July 6-12 Arnold-Main
5 sessions MTu/WTh/F 9 am-noon GRADES 3-5
Science Wizardry
Be a science wizard. Concoct a secret formula, write with invisible ink, or blow bubbles in different sizes and colors. Begin with a question, formulate an answer and test that theory with experiments.
Cost: $159 includes $33 fee.
KIC-871-301 July 22-26 Arnold-Main 1-4 pm GRADES 1-2

Seuss on the Loose
Dive into the wacky world of Dr. Seuss as you explore his stories with projects, games and fun. Practice reading and writing each day to enhance vocabulary, sequencing, rhyming and letter recognition.
Cost: $159 includes $33 fee.
KDS-861-301 Aug. 12-16 Arnold-Main 1-4 pm KINDERGARTEN

Shark Week
Discover the many types of sharks and what makes them different. Use books, art projects and games to increase your shark knowledge.
Cost: $159 includes $33 fee.
KIC-864-301 July 22-26 Arnold-Main Wajtowitz 1-4 pm GRADES 1-2

New! Slime Time
It oozes — but doesn’t stick — between your fingers. It comes in different colors. It acts like a liquid but can seem to be solid. Sometimes it glows in the dark! Explore the chemical reactions from slime recipes.
Cost: $159 includes $33 fee.
KIX-814-301 June 17-21 Arnold-Main 1-4 pm GRADES 1-2
KIX-814-302 July 22-26 Arnold-Main 9 am-noon GRADES 1-2

So Sew Easy!
Learn the basics of sewing starting with sewing machine safety. Develop sewing skills — learn how to read a pattern and execute simple construction. Sew up some projects to take home! Enrollment Limit: 10.
Cost: $159 includes $35 fee.
KDD-879-301 July 9-12 Arnold-Main Orme 9 am-noon GRADES 3-5
Theme: Recycle
KDD-879-302 July 29-Aug. 2 Arnold-Main 9 am-noon GRADES 3-5
Theme: American Girl
KDD-879-303 July 29-Aug. 2 Arnold-Main 1-4 pm Orme GRADES 3-5

Space Cadets
Lift off! Become an astronaut and journey into space as you learn about the planets and stars, rocketry and flight. Sample space food. Create your own helmet, rocket, planet mobile and more.
Cost: $159 includes $33 fee.
YIH-869-301 July 22-26 Arnold-Main KINDERGARTEN
5 sessions MTuWThF 9 am-noon

Space Exploration
Join us for a series of space adventures that also enhance your reading skills. Learn about planets, space explorers and space travel.
Note: Field trip included.
Cost: $278 includes $53 fee.
KDS-869-301 July 9-12 Arnold-Main Turk 9 am-4 pm GRADES 1-5

Spanish Booster
Boost your Spanish skills before starting back to school. Brush up on your reading, writing, listening and speaking skills in a relaxed atmosphere!
Cost: $159 includes $33 fee.
KDD-869-301 Aug. 12-16 Arnold-Main Orme 9 am-noon GRADES 6-12

Sports Jamboree
Play soccer, lacrosse, dodgeball and capture the flag, and take field trips to Severna Park Lanes to bowl and to Get Air Trampoline Park to get your jump on! Develop self-esteem and a healthy attitude about team building and sportsmanship.
Note: Bring a bag lunch, water bottle, sunscreen and hat. Campers must be age 7 or older to enroll.
Cost: $285 includes $60 fee.

**KIDS IN COLLEGE SUMMER 2019 CAMPS**

---

### Intro to STEM with Legos Summer 1
Tap into your imagination with Legos. Build engineer-designed projects such as motorcycles, castles, airplanes and monorails. Create your own unique design! There are no prerequisites for this course. Campers will work in teams.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $109 includes $141 fee.

- **KDD-221-301**: June 24-28
- **KDD-222-301**: Aug. 12-16  
  5 sessions  
  MTuWThF  
  9 am-noon  
  **GRADERS 1-2**

### Intro to STEM with Legos Summer 2
Tap into your imagination with Legos. Work in teams to build engineer-designed projects such as firetrucks, space stations, tugboats and the Eiffel Tower. Create your own unique design! There are no prerequisites for this course. Campers will work in teams.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $199 includes $141 fee.

- **KDD-223-301**: June 24-28
- **KDD-224-301**: Aug. 12-16  
  5 sessions  
  MTuWThF  
  9 am-noon  
  **GRADERS 1-2**

---

### STEM Challenge with Legos Summer 1
Power up your engineering skills with Legos. Apply real-world concepts in physics, engineering and architecture through engineer-designed projects such as belt-drive cars, truss bridges, rail races and pneumatic forklifts! Campers will work in teams.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $199 includes $141 fee.

- **KDD-225-301**: June 24-28
- **KDD-226-301**: Aug. 12-16  
  5 sessions  
  MTuWThF  
  1-4 pm  
  **GRADERS 3-5**

### STEM Challenge with Lego Summer 2
Level up your engineering skills with Legos. Apply real-world concepts in physics, engineering and architecture through engineer-designed projects such as bulldozers, hovercrafts, hot air balloons and the Great Wall of China. Campers will work in teams.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $199 includes $141 fee.

- **KDD-227-301**: June 24-28
- **KDD-228-301**: Aug. 12-16  
  5 sessions  
  MTuWThF  
  1-4 pm  
  **GRADERS 3-5**

### New! STEM Explorations with Lego
Level up your engineering skills with Lego parts! Apply real-world concepts in physics, engineering and architecture through engineer-designed projects such as gear cars, gondolas, merry-go-rounds and scissors lift.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $199 includes $141 fee.

- **KDD-229-301**: July 29-Aug. 2  
  5 sessions  
  MTuWThF  
  9 am-noon  
  **GRADERS 3-5**

---

### Structural Engineering Basics
Join city planners and design and build a city together! Explore the roles of architects and structural engineers; apply math and science principles to projects. Learn about green building and waste management. Tour AACC’s green buildings. Take a trip to the National Building Museum!

**Cost**: $270 includes $45 fee.

- **GTE-225-301**: Aug. 5-9  
  5 sessions  
  MTuWThF  
  9 am-4 pm  
  **GRADERS 3-5**

### Summer Adventure Camp
Join us for a full day of hands-on activities! Enjoy sports, hands-on science investigations, arts and crafts projects, drag-and-drop programming with Scratch Jr., and a field trip. Select your week by topic and let the fun begin!

**Cost**: $286 includes $61 fee.

- **KDD-221-301**: July 29-Aug. 2  
  5 sessions  
  MTuWThF  
  9 am-4 pm  
  **GRADERS 3-5**

### New! Super Hero Engineering with Lego Materials
Build the hideouts and vehicles of your favorite caped crusaders and learn what makes them not only super heroes but super engineers! Young heroes will be guided as they design, build and save a city where ingenuity and imagination can solve any conflict.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $199 includes $141 fee.

- **KIK-225-301**: July 29-Aug. 2  
  5 sessions  
  MTuWThF  
  1-4 pm  
  **GRADERS 3-5**

### New! Super Hero Master Engineering with Lego Materials
Super Heroes need your help to defeat the destructive forces of evil archvillains as they threaten Legopolis! Explore the tools and techniques of your favorite caped crusaders and learn what makes them not only super heroes, but super engineers. The engineering curriculum challenges heroes to design, build and save a city with ingenuity and imagination that can solve any conflict.

*Note: Offered in partnership with Play-Well TEGnologies.*

**Cost**: $199 includes $141 fee.

- **KIK-226-301**: July 29-Aug. 2  
  5 sessions  
  MTuWThF  
  9 am-noon  
  **GRADERS 3-5**

### New! A Taste of the Orient
Take your palate on a tour of the Orient. Take over the kitchen for a culinary trip to taste the flavors of Thailand, Japan, Korea and China.

**Cost**: $185 includes $57 fee.

- **KIK-227-301**: Aug. 5-9  
  5 sessions  
  MTuWThF  
  9 am-noon  
  **GRADERS 6-8**

Gifted and Talented camp  
Campers work in teams
New! Ukulele Camp

Explore techniques and essential tips as you learn to play the ukulele. Play in a group as well as solo. Each camper will take home a ukulele on the last day of camp.

Cost: $165 includes $39 fee.

KDO-839-301 July 15-19 Arnold-Main Dobry
5 sessions MTuWThF 9 am-noon GRADES 3-5

Gifted and Talented camp

Campers work in teams
Wild Weather Chasers
Crash, boom – what caused that thunder to be so loud! Take a look at the weather around us from tornados to blizzards and find out what causes these weather events.
Cost: $159 includes $33 fee.
GTE-850-301 June 24-28 Arnold-Main Alexander
5 sessions MTuWThF 1-4 pm GRADES 1-2

New! Woodshop: Custom Containers and Secret Compartments
Master the basics of woodworking. Create custom containers with lids, hinged doors, shelves or secret compartments! Follow plans, measure, mark, cut, drill, shape and finish different materials with hand tools. Returning students create advanced projects! Personal projects go home with campers.
Note: Offered in partnership with FutureMakers.
Cost: $250* includes $176 fee.
KIK-820-301 June 17-21 Arnold-Main
5 sessions MTuWThF 9 am-noon GRADES 3-5
KIK-820-302 July 22-26 Arnold-Main
5 sessions MTuWThF 1-4 pm GRADES 3-5

New! Woodshop: Skateboards from Scratch
Engineer and build a skateboard! Create a custom deck, design, apply paint and graphics, cut and apply grip tape, and assemble trucks with bearings, wheels and hardware. All participants take home a working skateboard. Safely and accurately measure, cut, drill and finish your board with campers.
Note: All materials included. No experience required. Offered in partnership with FutureMakers.
Cost: $250* includes $176 fee.
KIK-821-301 July 15-19 Arnold-Main

### Additional Notes
- **Gifted and Talented camp**
- **Campers work in teams**
REFUND POLICY
If your child cannot attend a course or camp, a course drop form must be completed, submitted and received by the college no later than five (5) calendar days prior to the course or camp start date in order for a refund to be issued. Completed course drop forms can be submitted by fax 410-777-4325, mail, online through MyAACC or in-person at one of our registration sites. Drop forms not received within the time period required above will be processed, but no refund will be issued.
Who Can Enroll
AACC’s noncredit courses are open to anyone with or without a diploma or degree who is 16 years or older by the first day of class. Classes for students younger than 16 years old are offered through Kids in College and Family Time Intergenerational courses. For intergenerational courses, all youths must register and be accompanied by a registered adult. Out-of-county residents are charged additional fees. Tuition waivers for students with disabilities receiving SSDI are available for some noncredit, continuing education workforce development and life skills courses. Only enrolled students may attend class.

Student ID
Register for noncredit courses using your AACC ID number or last four digits of your Social Security number to avoid duplicate records and mailings. Parents registering their children must use the child’s student ID.

Course Costs for Noncounty Residents
The price stated at the end of each course description is the total cost, including tuition, registration and supplies, lab or other fees, if any, for county residents. There is an additional charge of $10 per noncredit course for residents of other Maryland counties and $25 per course for out-of-state residents.

A business or agency located in Anne Arundel County, which pays tuition for a nonresident employee/student, is not subject to the surcharge. Courses that do not follow these guidelines have costs indicated with course information.

Course Costs for Seniors
Maryland residents age 60 or older by the first day of class may have the tuition portion of the course cost waived for courses which do not have a dagger (†) next to the price and are not senior-only classes. For these tuition-waived courses, seniors will be responsible for paying a $7 per course, course fee, any fees indicated in the course description and the out-of-county fee if applicable. Seniors residing out of state must pay the full course cost (including tuition, registration and course lab fee) plus the out-of-county and the out-of-state fees.

For all courses marked with a dagger (†) next to the course price, senior students must pay full course cost (including tuition, registration and course fee) plus out-of-county and out-of-state fees, if applicable.

For senior-only courses, seniors age 60 or older may take an unlimited number of courses for $80 per three-month cycle plus supply fees if listed and out-of-county and out-of-state fees if applicable. Students age 55-59 pay $40 tuition per course in addition to the $80 three-month cycle fee. For questions concerning the pricing for these courses, call 410-777-2325.

Disability Tuition Waiver
Maryland residents who are certified by the Social Security Administration as totally and permanently disabled (or retired due to disability) may be eligible to receive a tuition waiver for certain continuing education courses. Students who qualify for the waiver must complete a Social Security Certification for Noncredit Tuition waiver form and submit it to the cashier’s office each year. More information (including the certification form and list of eligible courses) can be found at www.aacc.edu/costs-and-paying and select “other ways to pay for noncredit”.

Disability Support Services
The Disability Support Services Office (DSS) provides equal access to educational opportunities for qualified students with disabilities. Students interested in course accommodations must provide relevant documentation in order to receive accommodations.

For information, please call DSS, at 410-777-1411 email dss@aacc.edu or visit www.aacc.edu/resources/disability-support-services. Deaf and hard of hearing students can reach the office by calling Maryland Relay 711 or by emailing dss@aacc.edu.

Refund Policy
No refund will be given after the first scheduled class meeting has started. To receive a refund for a noncredit course that has not started, drop the course by submitting a completed registration/drop form by fax, mail or in person at one of our registration sites or through MyAACC. Call 410-777-2325 with any questions regarding a refund for a noncredit course.

Course Cancellations
The college may cancel a course that lacks sufficient enrollment a week before it is scheduled to begin. When a course is canceled, we make every effort to notify all registered students promptly. A full refund is processed automatically unless the student elects to transfer to another course or section. You can help avoid cancellations by registering at least two weeks before the start date.

Wait List Procedures
The wait list is an electronic roster of eligible students who are waiting for a seat to become available in a closed section. The wait list stores names in order of request to allow access to seats that may become available. There are no wait list limits for Continuing Education/noncredit courses.

If a seat becomes available in a Continuing Education/ noncredit course, the system will automatically call you at your phone number on record. You are required to call the Instructional Support Center within 24 hours at 410-777-2325 to complete your registration or you will lose your position on the wait list.

You can use MyAACC to view your wait lists, monitor your position on your wait lists and remove yourself from any unwanted wait lists.

Closings
When severe weather or other emergency conditions occur, listen to local radio, TV stations or check the college’s home page or www.aacc.edu/campusalert. Sign up for a text message alert to your cell phone and email address by going to www.aacc.edu/campusalert.

Every attempt will be made to reschedule classes that have been impacted by an emergency closing. However, we reserve the right to update the course schedule depending upon the availability of resources. For the most up to date course offerings, visit us on the web at www.aacc.edu/noncredit.

When the college closes, all classes at all on-campus and off-site locations are canceled for the day. The college does not necessarily close when Anne Arundel County public schools close; however, when public schools close for inclement weather or emergencies, all AACC classes at public school locations are canceled.

When Anne Arundel County public schools close as a result of scheduled (nonemergency) closings, AACC classes will meet.

Late Openings
When the college opens late due to severe weather or other emergency conditions, all continuing education courses scheduled to begin prior to the opening time will be canceled for that day.

Finding Your Noncredit Class
You may check your class locations through MyAACC (MyCourses), by checking your printed course confirmation or by calling 410-777-2325. Some class locations may not be assigned until a week before the class starts. Classroom assignments at the public schools and other sites will be prominently displayed and an on-site coordinator will be available to assist you in finding your class.

Parking
AACC offers free parking at the Arnold campus and all off-site locations. At the Arnold campus students may park in all unmarked spaces at any time. Students may park in reserved (numbered spaces) after 5 p.m. Mondays through Fridays and all day Saturdays and Sundays, and also in faculty/staff spaces after 7 p.m. Mondays through Fridays and all day Saturdays and Sundays.

At the Glen Burnie Town Center and HCAT Institute, use the free public parking garage across the street on Baltimore Annapolis Boulevard. Do not park in the nearby Food Lion parking lot. Your vehicle will be towed.

Directions to Campus
Visit www.aacc.edu for directions and map of the Arnold campus.

86
REGISTRATION INFORMATION 410-777-2325
AACC Bookstore
The AACC Bookstore has locations at the Arnold campus, Glen Burnie Town Center and AACC at Arundel Mills. Visit AACC Bookstore online at www.aaccbooks.com for store hours to obtain the most current textbook information and learn about ways to save on textbooks. You also can place your textbook order online with the option for delivery to your home or business for a nominal shipping fee. Call 410-777-2220 for information.

Online Courses
AACC offers both self-paced online courses as well as instructor led courses. For technical requirements and links to courses, visit www.aacc.edu/noncredit.

If you do not have an online service from home or work, you can access the Internet at the Technology Learning Centers (TLC) in the Andrew G. Truxal Library on the Arnold campus, at the Glen Burnie Town Center or in Suite 206 at AACC at Arundel Mills.

Once you have registered for an online course, call 410-777-2325 or visit www.aacc.edu/noncredit for further instructions. See page 3 for a complete listing of AACC’s online partners.

Continuing Education Units (CEUs)
A CEU (Continuing Education Unit) is a measure used by continuing education programs. CEUs are awarded to the student upon successful completion as a permanent record of training and professional development activities. While it is not an academic credit, many licensed professions require this nationally recognized way to quantify time spent, in order to obtain or renew industry certification or licenses. In some industries or professions, CEUs can mean increased compensation or recognition. One CEU is equal to 10 contact hours or participation and is awarded by the college.

Many professionals are required to participate in continuing education activities on a yearly basis. The required number of CEUs varies by profession. AACC is proud to be able to offer continuing education units (CEUs) for both online and in the classroom. Many of the online courses are offered on a monthly basis, allowing the student to meet renewal deadlines year-round.

Digital Badges
Anne Arundel Community College issues digital badges in various areas of study from Casino and Gaming to ESL programs. Similar to scouting or military merit badges which indicate levels of achievement, honor, status or recognition, a digital badge provides documented evidence of skill in a content area. These badges are can be easily shared with future employers, community organizations and bosses by hyperlink via email, electronic résumé or on social media profiles to verify necessary workforce skills.

A complete list of badges offered through AACC programs, visit www.aacc.edu/noncredit.

Credit/Noncredit Share ▼
Have you ever wanted to register for a credit course at AACC, but really were not interested in earning academic credit? Did you know that AACC offers a variety of courses that can be taken as credit or noncredit? These courses are referred to as Credit/Noncredit Share (CNS) courses. CNS courses enable participants to take a credit course without officially enrolling at AACC. CNS students enroll as noncredit students, but receive the same instruction and educational experience as traditional credit students. Participants do not earn academic credit, but must meet any prerequisites required for a CNS course.

CNS courses are a great way to explore new subject matter or enhance your current knowledge, skills and abilities on a given topic. CNS courses are identified in the schedule of classes by a triangle icon ▼ appearing next to the each CNS course title. CNS students must register as a noncredit student and submit the registration in accordance with directions found in the back of this publication. Browse through the Noncredit Schedule of Classes and discover all of the exciting CNS courses we have to offer! If you have any questions, please call 410-777-2040 or email amgrees1@aacc.edu.

Repeated Courses
The School of Continuing Education and Workforce Development wants every student to be successful in their educational goals. We recognize however that a course or training program may not always be the best match for a student. Therefore if a student has unsuccessfully attempted a course or training program twice, the College reserves the right to decline the student’s registration into that course or program.

System Downtime
AACC is committed to providing current and progressive technology to enhance and support the college mission. For a complete list of available technologies and services, visit www.aacc.edu.

In order to provide superior service to the college community, regular maintenance is required. Scheduled maintenance for systems impacting students (Canvas LMS, MyAACC portal and the Self Services tab, www.aacc.edu, student email access, etc.) are performed starting at 5:30 p.m. on the second Friday of each month. We will reschedule any downtime that coincides with a major college event, such as final exams. Visit www.aacc.edu for further downtime updates.

Notice of Nondiscrimination
AACC is an equal opportunity, affirmative action, Title IX, ADA Title 504 compliant institution. Call Disability Support Services, 410-777-2306 or Maryland Relay 711, 72 hours in advance to request most accommodations. Requests for sign language interpreters, alternative format books or assistive technology require 30 days’ notice. For information on AACC’s compliance and complaints concerning sexual assault, sexual misconduct, discrimination or harassment, contact the federal compliance officer and Title IX coordinator at 410-777-1239, complianceoffice@aacc.edu or Maryland Relay 711.

Professional Licensure
AACC cannot confirm whether the course or program meets requirements for professional licensure in states other than Maryland. If you plan to apply for licensure in a state other than Maryland, contact that state’s licensing board to determine whether the AACC course of program meets requirements for licensure in that state. If you need assistance finding contact information for your state, or if you need additional information regarding professional licensure, contact the School of Continuing Education and Workforce Development’s Instructional Support Center at 410-777-2325.

Student Records Policy
The school of Continuing Education and Workforce Development complies with provisions of the Family Education Rights and Privacy Act (Buckley Amendment) of 1974 (Public Law 90-247 as amended) and any regulations that may be promulgated thereunder. The division will permit students to inspect their continuing education records, limit disclosure of these records to others without a student’s prior written consent and provide students with the opportunity to seek correction of these records where appropriate. Requests can also be submitted via MyAACC.

To obtain a copy of your continuing education student record, mail or deliver in person a signed written request to Records and Registration, 101 College Parkway, Arnold, MD 21012-1895 or fax to 410-777-2489. Requests must include student’s name, former name (if applicable), AACC ID or Social Security number and full address.

A student has the right to file a written complaint concerning the division’s alleged noncompliance with federal regulations by contacting the Family Education Rights and Privacy Act Office (FERPA), Department of Education, 400 Maryland Ave. SW, Washington, DC, 20202.

Changes and Errors
Courses and class schedules listed in the Noncredit Schedule of Classes are subject to change. The college regrets any discrepancies or typographical errors. This publication should not be regarded as an irrevocable contract between the student and the college.

For additional college policies see the college catalog and visit www.aacc.edu/noncredit.

How are we doing?
We value your opinion! Please let us know if you have a new idea for a class or share an experience you had with AACC, we may ask to use your quote in a future schedule.
PAYMENT OPTIONS AND SCHOLARSHIPS

Payment
Payment for noncredit courses is due at the time of registration. AACC accepts American Express, MasterCard, Visa, Discover, check, money order and cash. Cash is only accepted at the cashier’s office on the Arnold campus.

AACC Continuing Education Scholarships
The School of Continuing Education and Workforce Development is offering scholarship opportunities to students in approved CEWD certificate programs. While scholarship funding varies depending on the funding sources, scholarship awards generally cover 75 percent of the cost of tuition and fees.

To be eligible for a scholarship, students must be enrolled in an approved certificate program and must demonstrate financial need. For best consideration, students should complete the scholarship application and the barriers assessment completely, and submit them with all required documentation.

For information about AACC scholarship opportunities and deadlines, and to download application materials, visit www.aacc.edu/costs-and-paying and select “Other ways to pay for Noncredit.”

Continuing Education Payment Plan
Need job training but not ready to pay the full tuition and fees in advance? AACC offers a monthly payment plan for selected noncredit continuing education courses. Depending on the length of the course, students pay a 40 percent or 50 percent down payment and then one, two or three equal monthly payments. Students can elect to have monthly payments automatically deducted from a bank account or charged to a credit card. There is a $25 nonrefundable enrollment fee per course for the service. For information and a list of eligible courses, visit www.aacc.edu/costs-and-paying.

Private Student Loans
Private student loans are available for many continuing education courses. To apply, visit www.aacc.edu/costs-and-paying or contact the Financial Aid office at 410-777-2203.

Veterans’ Benefits
Veterans with military benefits may be eligible to use their VA benefits for noncredit training. Visit www.aacc.edu/military or contact the Financial Aid office at 410-777-2203.

Division of Rehabilitation Services (DORS)
People with disabilities may schedule an appointment with a representative from the Maryland State Department of Education at 410-412-7090.

WIOA Training Funds
People who are unemployed may contact a representative from the Anne Arundel Workforce Development Corp. at 410-424-3276 to find out qualifications for federal WIOA job training funds.

Third Party Agreement
If an organization is going to pay for part or all of your noncredit course costs (e.g., “grants” or “scholarships” awarded by a company other than AACC), you must submit a hand-signed letter of intent from the company on their official letterhead with your registration form. The letter must include your name, the section ID(s) and term(s) of your noncredit course(s) and the total amount they will pay. Be sure you calculate your total costs correctly for your residency status (see additional fees listed above). Your registration form and letter of intent may be submitted by fax, mail or in person.

Note: A business or agency in Anne Arundel County which pays tuition for a non-resident student is not subject to the out-of-county or out-of-state fee.
REGISTERING ONLINE: STEP-BY-STEP

SEE INSIDE FRONT COVER FOR ALL REGISTRATION OPTIONS.

REGISTER ONLINE THROUGH MYAACC. IT’S FAST. IT’S CONVENIENT. IT’S SECURE. Go to https://portal.aacc.edu.

HOW TO ACCESS YOUR MYAACC ACCOUNT:

1. RETURNING STUDENTS: Enter your User Name and Password
2. NEW STUDENTS: Enter your User Name and Password
3. MyAACC Help Topics
   - NEW STUDENTS: Click MyAACC Help Topics to create an account (Online Personal Identification Form)
   - RETURNING STUDENTS: Click MyAACC Help Topics to reset your password (Password Management Tool)

### Online Offerings

Don’t see the class you want in this schedule? Just ask us to add a class from the list of available courses below. Send a request to add the section with the course title, courses ID and start date (from list below) to online@aacc.edu or call 410-777-2910.

We can’t list all of our courses with full details in this schedule. Below is a list of additional online offerings available through our partner ed2go. Ed2go offers 6 week, instructor-led, online classes. Most are available to start on a monthly basis. **2019 Summer course dates are as follows:**

- June 12-August 2
- July 17-September 6
- August 14-October 4

For an expanded list of the courses, their descriptions and enrollment instructions, please visit [www.ed2go.com/aacc](http://www.ed2go.com/aacc). For additional information regarding online learning with AACC, visit [aacc.edu/noncredit](http://www.aacc.edu/noncredit) and click the link for noncredit online.

### Accounting Software

- Advanced Microsoft Excel 2013 (OLA-368)
- Introduction to Crystal Reports (OLI-399)
- Introduction to Microsoft Excel 2007 (OLN-313)
- Introduction to QuickBooks 2015 (OLN-396)
- Performing Payroll in QuickBooks 2015 (OLT-320)
- QuickBooks 2016: Intermediate (OLT-358)

### Adobe

- Intermediate InDesign CC (OLT-340)
- Intermediate Photoshop CC (OLT-323)
- Intermediate Photoshop CS5 (OLA-332)
- Intermediate Photoshop CS6 (OLA-333)
- Introduction to Adobe Acrobat X (OLA-330)
- Introduction to Digital Scrapbooking (OLA-326)
- Introduction to Dreamweaver CS6 (OLA-341)
- Introduction to Illustrator CS6 (OLT-309)
- Introduction to Lightroom CC (OLT-345)
- Introduction to Lightroom 5 (OLA-360)
- Introduction to Photoshop CS5 (OLI-388)
- Introduction to Photoshop CS6 - (OLA-332)
- Photoshop CC for the Digital Photographer (OLN-353)
- Photoshop CC for the Digital Photographer II (OLA-361)
- Photoshop Elements for the Digital Photographer 1 (OLT-398)
- Photoshop Elements for the Digital Photographer 2 (OLT-399)

### Alternative Medicine

- Certificate in Spirituality, Health, and Healing (HHTH-599)
- Meditation Techniques (HNS-510)
- Stress Management for the Healthcare Provider (HNS-514)

### Ancillary

- Become an Optical Assistant (HTH-575)
- Explore a Career in Medical Transcription (HTH-588)
- Explore a Career in Medical Writing (HNS-511)
- Explore a Career in Nursing (HIC-536)
- Explore a Career as an Administrative Medical Assistant (HTH-589)

### Business Software

- Introduction to Microsoft Outlook 2013 (OLT-310)
- Introduction to Microsoft PowerPoint 2013 (OLA-371)
