

Sexual Harassment and Sexual Misconduct Procedures (Approved by the Vice President for Learner Support Services July 1, 2015).

I. BACKGROUND

Title IX of the Education Amendments of 1972 is a Federal civil rights law that prohibits discrimination on the basis of sex in federally funded educational programs or activity. All public and private educational institutions receiving Federal funds must comply with Title IX. Under Title IX, discrimination on the basis of sex can include sexual harassment, sexual assault, dating violence, domestic violence, stalking, and other forms of sexual misconduct.

The Violence Against Women Act (VAWA) was passed in 1994 and reauthorized in 2013. Section 304 of VAWA amended Section 485(f) of the Higher Education Act and the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (a.k.a. the Clery Act). In addition to enacting clarifying and technical revisions to the Clery Act, VAWA expanded crime reporting requirements to include incidents of dating violence, domestic violence, sexual assault, and stalking. VAWA also expanded policies, procedures, and programs institutions must have relating to incidents of sexual harassment and sexual misconduct.

On June 9, 2015, the Board of Trustees of Anne Arundel Community College (AACC) approved a revised Sexual Harassment and Sexual Misconduct Policy (herein referred to as “the Policy” or “this Policy”) and authorized the President to develop and establish appropriate procedures to implement and enforce this Policy. The following Procedures are established to do so.

II. PURPOSE

The purpose of these Procedures is to promote campus safety through prompt reporting of all sexual harassment and sexual misconduct incidents to appropriate college and/or law enforcement authorities with the prompt and equitable resolution of those reports while protecting the rights of the parties involved.

III. TO WHOM THESE PROCEDURES APPLY

Any situation in which there is harassing conduct that is sufficiently severe, pervasive, persistent and objectively offensive that it alters the conditions of education or employment, from both a subjective (the complainant's) and an objective (reasonable person's) viewpoint. The determination of whether an environment is “hostile” must be based on the totality of the circumstances. These circumstances may include, but are not limited to:
 - a. The nature, severity and frequency of the conduct;
 - b. Whether the conduct was physically threatening;
 - c. Whether the conduct negatively affected the complainant's mental or emotional state;

- K. **“Intimidation”**: implied threats or acts that cause a reasonable fear of harm in another and includes, but is not limited to:
1. Threatening to commit a sexual act upon another person;
 2. Stalking; and/or,
 3. Cyber-stalking.
- L. **“Threatening”**: using verbal abuse or other conduct towards another that a reasonable person would feel threatened or endangered by.
- M. **“Discrimination”**: any action that deprives another of educational or employment access, benefits, or opportunities on the basis of their actual or perceived membership in a protected class. Discrimination can also involve treating an individual less favorably because of his or her connection with an organization or group that is generally associated with people of a certain protected class.
- N. **“Hazing”**: any act likely to cause physical or psychological harm or social ostracism to another, when related to the admission, initiation, pledging, joining, or any other group-affiliation activity.

- P. **“Force”**: use of physical violence to gain sexual access. Although there is no requirement that an individual physically resist the sexual advance or demand, resistance is a clear demonstration of non-consent. However, the absence of resistance does not demonstrate the absence of force.
- Q. **“Incest”**: knowingly having vaginal intercourse with someone he/she cannot legally marry.
- R. **“Rape”**: vaginal intercourse by force or threat of force and without consent.
- S. **“Responsible College Employee”** includes any College administrator, supervisor, faculty member, campus police, coach, athletic trainer, or non-confidential first responder who has the authority to take action to redress sexual misconduct; or whom a student could reasonably believe has such authority or duty.

Attempt requires that that the accused took a substantial step, beyond mere preparation, toward the commission of the prohibited act and that the defendant intended to commit the prohibited act.
- U. **“Consent”**: knowing, voluntary and affirmatively communicated willingness to participate in a particular sexual activity or behavior. Consent may be expressed either by words or by actions, as long as those words or actions create a mutually understandable agreement to engage in a specific sexual activity. It is the responsibility of the person who wants to engage in sexual activity to ensure that he or she has consent from the other party and that the other party is capable of giving consent.
1. Lack of protest or resistance is not consent, nor may silence be interpreted as consent;
 2. Previous relationships, including past sexual relationships, do not imply consent to the proposed sexual activity;

3. Consent to one form of sexual activity does not imply consent to other forms of sexual activity;
4. Consent must be present throughout sexual activity and may be withdrawn at any time;
5. Consent cannot be obtained by use of physical force, threats, intimidating behavior, or coercion;
6. Consent cannot be obtained from someone who is incapacitated; and
7. Consent cannot be obtained from someone who is not of legal age.

VII. REPORTS AND COMPLAINTS

A. Reports

There is a distinction between making a report to the College or law enforcement through designated Reporting Options listed below and seeking confidential assistance through Confidential Resources listed below.

When considering filing a report or complaint, persons who are concerned about confidentiality should discuss their concerns with the person with whom they are speaking. Unless there is an imminent threat to health or safety, or other basis for disclosure pursuant to federal, state or local law, confidentiality applies when persons are seeking services from the following confidential resources: College Health Services staff or the designated counselors at Counselling, Advising and Retention Services (CARS).

The College recognizes that sexual harassment and sexual misconduct allegations are sensitive subjects for all parties involved. The College is committed to maintaining the privacy of the parties involved to the fullest extent possible under applicable law and the circumstances. There may be instances when the College determines it is required to investigate and take action even when the reporting/complaining party requests anonymity or requests that no action be taken. Thus, absolute confidentiality cannot be guaranteed. In such cases, the College will take all reasonable steps to investigate and respond to the report/complaint consistent with the reporting/complaining party's requests, and when it cannot do so, will keep the reporting/complaining party apprised, as deemed appropriate. In all cases, the College will take care to protect the identities of the parties by discussing the allegations only with those who have a legitimate administrative or legal reason to know.

If a report of sexual harassment or sexual misconduct reveals an immediate threat to the campus community, the College may issue a timely notice of the alleged conduct to the college community in the interests of the health and safety of the campus community. This notice will not contain the reporter/complaining party's name or any personally identifying information.

All students are encouraged to report incidents of sexual harassment or sexual misconduct immediately. Victims are encouraged to talk to someone about what happened so that they can get the support needed and the College can respond appropriately. All College employees are required to report incidents of sexual harassment or sexual misconduct. There are many options for reporting, to include the Anne Arundel County Police, the AACCC Department of

Public Safety and Police or a Campus Security Authority Agent, a Responsible College Authority, the Title IX Officer, Federal Compliance Officer (hereinafter Compliance Officer) or a Confidential Resource, either on campus or off.

Reports can be made in person, by telephone, in writing, by e-mail, [online](#), or anonymously to the individuals/departments listed below. All reports except those to a Confidential Resource may be shared with College officials with a legitimate need to know.

Upon receipt of a report/complaint, the College will take prompt action to provide for the safety and well-being of the reporter/complainant and the broader campus community.

Any report/complaint involving a minor must be shared with external child protective services and local law enforcement agencies. All reports/complaints except those to confidential resources will be shared with the Compliance Officer and the Dean of Student Services, who oversee the investigation and resolution of all cases of misconduct covered by the Policy.

An individual who reports sexual harassment or sexual misconduct, either as a complainant or a third-party reporter, will not be subject to disciplinary action by the College for his or her own personal consumption of alcohol or drugs at or near the time of the incident, provided that any such violation did not contribute to the incident and did not and does not place the health or safety of any other person at risk. The College may, however, initiate an educational discussion or pursue other educational remedies regarding alcohol or other drugs.

Seek Medical Attention. If you have experienced sexual misconduct it is important to seek medical attention as soon as possible. A medical examination will ensure appropriate medical treatment, including testing for pregnancy or sexually transmitted infections. You may also want to obtain a Sexual Assault Forensic Exam (SAFE). A SAFE exam allows for the collection of evidence and can ensure any physical evidence is preserved in the event of a report to law enforcement. A SAFE exam may be obtained within 72 hours after an assault at:

Anne Arundel Medical Center
2001 Medical Parkway
Annapolis MD 21401
443-481-4000

Baltimore Washington Medical Center
301 Hospital Drive
Glen Burnie, MD
410-787-4565

College personnel will assist anyone who has experienced sexual misconduct appropriate medical attention, including transportation to the above medical facilities.

C. COMPLAINTS

There is a distinction between reporting for informational purposes (above) or to seek support and filing a Complaint. A Complaint initiates a formal investigatory and, possibly, disciplinary action and sanctions if appropriate. All complaints of sexual harassment or sexual misconduct by a student, employee or volunteer of the College shall be in writing and submitted to Compliance Officer or designee. If a Complaint is provided to another college employee, upon receipt, the College employee shall immediately provide it to the Compliance Officer or designee.

A complaint shall include the following: a) a detailed description of all the alleged prohibited act(s), including dates, regarding the alleged prohibited act(s); b) the name of the individual(s) who allegedly committed the act(s), if known, or description if known; c) the names of any individual(s) who may have relevant information concerning the alleged acts(s). The complaint shall include all relevant documents, including but not limited to emails, text messages and copies of electronic and social media messages relating to the allegations.

Complaints shall be submitted, pursuant to these Procedures, no later than ninety (90) days from the commission or knowledge of a prohibited act(s) unless there are extenuating circumstances warranting the filing after this time period. Extenuating circumstances allowing a late filing shall be liberally applied and determined in the sole discretion of the Compliance Officer or designee

An attempt to informally resolve the matter shall not be a condition precedent for filing or proceeding on a complaint.

D. Reporting a Crime

Sexual misconduct, particularly sexual violence, may be a crime. Therefore if you have experienced such misconduct, you have a right to file both a disciplinary complaint with the College and a criminal charge with appropriate law enforcement officials. The College will assist complainants who wish to report sexual misconduct to the College and law enforcement authorities, including the College Department of Public Safety and Police; Representatives of the Office of the Dean of Student Services; Office of Student Conduct, Counseling; Advising and Retention Services; and Health Services. . Campus police will also assist complainants in notifying other law enforcement authorities in any jurisdictions, as appropriate. To report to the AACC Department of Public Safety and Police call 410-777-1818.

Because the standards for a violation of criminal law are different from the standards for a violation of this policy, criminal investigations and proceedings are not determinative of whether a violation of this policy has occurred. In other words, conduct may violate this policy even if law enforcement agencies or local prosecutors decline to prosecute.

Complaints of sexual misconduct and related internal College processes may occur prior to, concurrent with, or following criminal proceedings off campus.

Upon receipt of a report of sexual misconduct that may constitute a crime, campus police will advise the reporter that in addition to making a criminal report to appropriate law enforcement officials, they also have the right to file a complaint with the College and engage the College's investigation and adjudicative processes under this policy. In addition, as Responsible College Employees under this policy, campus police who receive any type of report of sexual misconduct, whether it rises to the level of a crime or not, shall promptly notify the Title IX Officer at compliance@aacc.edu.

VIII. INITIAL INVESTIGATION

Upon receipt of a report or a complaint of an alleged prohibited act(s), the Compliance Officer designee shall verify in writing receipt of the report or complaint. The reporting or complaining party shall meet with the Compliance Officer to learn about options under these Procedures, the availability of accommodations that may be appropriate under the circumstances and to be interviewed and to provide additional information, if any, regarding the alleged prohibited act(s) incident.

Upon review of the documents and materials, the information garnered from the interview, and any additional information deemed by the Compliance Officer appropriate to review, the Compliance Officer shall determine whether there is a sufficient basis to initiate a formal investigation. If a sufficient basis is not found, the Compliance Officer shall, in cases where a party is a student, provide the Dean of Student Service or designee a written report with a recommendation that the matter be closed, clearly setting forth the basis of the recommendation. In cases where a party is an employee, the written report shall be provided to the Executive Director Human Resources or designee. The report in both cases shall include a copy of the initiating report or complaint and all relevant documents. If the recommendation of the Compliance Officer is not accepted by the Dean of Student Services or designee (regarding a student) or the Executive Director Human Resources or designee (regarding an employee), the reasons shall be clearly set forth in writing and a formal investigation shall be initiated.

In making a decision to close a matter if a sufficient basis is not found, the Dean of Student Services (regarding a student) or the Executive Director of Human Resources or designee (regarding an employee) shall consult with the College General Counsel and other appropriate College personnel prior to finalizing the decision. If a sufficient basis is found, the matter shall proceed with a formal investigation.

1. FORMAL INVESTIGATION

The Compliance Officer shall prepare and forward the initial investigation report to a trained Title IX Investigator. The report shall include a copy of the initiating report or complaint, the name of the complainant and respondent, the date, location and nature of the alleged prohibited conduct, all relevant documentation, a list of potential witnesses and any other information that will aid the investigator. If the complainant desires not to participate in a formal investigation, the College may still proceed and/or issue administrative orders and/or take interim action as provided in Section VIII (3)(b).

The investigation shall be completed no later than sixty (60) calendar days of receipt of the Compliance Officer's report. Extensions may be granted by the Compliance Officer if requested by the Investigator. The Complainant and Respondent shall be notified in writing by the Compliance Officer if an extension of the investigation time is granted.

The investigation shall include interviews with the Complainant and Respondent, all witnesses with material knowledge, and a review of all relevant documents. All

interviews shall be recorded, and interviewees shall be informed that this will occur before the interview begins. Upon completion of the investigation, a written Investigation Report with findings shall be prepared in writing. The Report shall include all documentation reviewed, an outline of the information obtained through the interviews and findings set forth based on the preponderance of the evidenced with recommended sanctions, if appropriate. During all phases of the investigation both parties shall be entitled to have the assistance of an advisor.

The investigation report shall be forwarded to the Director of Student Conduct (for a student/Respondent) and to the Executive Director Human Resources Department or designee (for an employee/Respondent) who shall review it and all the attachments. Within ten (10) business days, a written decision shall be rendered accepting, modifying or rejecting the findings, sanction(s) and/or recommendations setting forth the reasons in support of the decision. A copy of the decision shall be provided to the Investigator; a copy of the decision and the Investigation Report to the Compliance Officer and other appropriate college personnel; and copy of the decision and the Investigation Report with all personal identifiable information redacted to the parties simultaneously.

2. APPEALS

Either party may file a petition appealing the determination of the Director of Student Conduct (for a student/Respondent) or the Executive Director Human Resources Department or designee (for an employee/Respondent). The appeal shall be in writing and filed within ten (10) business days from the date that the decision of the Director of Student Conduct was delivered to the appealing party. Delivered for purposes of this section shall mean hand-delivery, signed certified mail or electronic mail to the student's AACC, with electronic delivery shown. An appeal filed beyond the time required shall not be accepted.

- i. If an appealing party is a student, the appeal shall be filed with Dean of Student Services or designee. If an appealing party is an employee or college volunteer, the appeal shall be filed with the Vice President for Learner Support Services or designee.
- ii. The appeal shall be based only on one or more of the following grounds:
 - a. A procedural error materially affected the decision; and/or
 - b. The imposed sanction(s) was not appropriate for the prohibited act.
- iii. Within ten (10) business days from receipt of a timely filed appeal, the Dean of Students or designee (for a student) or the Vice President for Learner Support Services or designee (for an employee) shall provide a copy of the appeal petition to the Director of Student Conduct or designee who shall within five (5) business days, provide a written response to the appeal petition along with a copy of the Investigation Report all documentation, a summary of the interviews, a copy of the interview recordings and the decision of the Director of Student Conduct or designee. Both parties shall be provided a copy of the response and a redacted copy of the Investigation Report; what is redacted shall be all

personal identifiable information. The parties shall not be entitled to receive the recordings or a transcript of the witness interviews.

- iv. Within ten (10) business days of receipt of the response to the appeal and the aforementioned materials, the Vice President for Learner Support Services or designee shall review the appeal, response and all other materials and render a written decision providing the basis for same. Based on the grounds of the appeal, the decision shall only determine:
 - a. Whether a procedural error materially affected the decision; or
 - b. Whether the imposed sanction(s) was appropriate for the prohibited act. In either case the Vice President for Learner Support Services or designee shall accept, modify or reject the decision.
- v. Within five (5) business days from the date of the decision, Vice President for Learner Support Services or designee shall mail a copy of the decision to the Complainant, Respondent, Director of Student Conduct, the Compliance Officer, and other appropriate college personnel.
- vi. The decision of Vice President for Learner Support Services or designee shall be final with no further right of appeal.

3. COMPLAINTS AGAINST CERTAIN EMPLOYEES

If a complaint is filed against a student who is also an employee, these Procedures will apply as though the student is not also an employee.

If a complaint is filed against the Compliance Officer, the Director of Human Resources or designee shall take all actions required of the Compliance Officer under these Procedures. If a complaint is filed against a Dean, his or her Vice President shall determine the outcome after the report from the Compliance Officer, with the President deciding any appeal, which decision shall be final. If a complaint is filed against a Vice President, the President shall determine the outcome after the report from the Compliance Officer, which decision shall be final. If a complaint is filed against multiple individuals who would be involved in the investigative and determination processes described above, the President shall designate another employee with no conflict of interest to undertake all actions required of the Compliance Officer under these Procedures.

If a complaint is filed against the President, it shall be filed with the Chair of the Board of Trustees, who shall provide the President with a copy. The Board shall request the President to respond to the complaint in writing, within ten (10) business days of his or her receipt of the complaint. Within five (5) business days of receipt of the President's response or after the time has expired to respond, the Board of Trustees shall initiate an investigation, which shall be concluded within thirty (30) business days, and within fifteen (15) business days thereafter, the Board of Trustees shall render a written decision through its Chair. The Board's decision

shall be final. A copy of the Board's decision shall be provided to the President, and delivered to the parties simultaneously.

If the tenured faculty member requests a hearing under 4.9.4.5(B), then the five (5) business days under Section 4.9.4.5(B)(1) shall run from the date of receipt of the President's decision to impose a major sanction. The Chair of the Major Sanction Review Committee shall be provided with a copy of the reports/documents/recordings/decisions issued under these proceedings.

APPENDIX TO SEXUAL HARASSMENT AND SEXUAL MISCONDUCT PROCEDURES

I. PURPOSE

Acts of sexual harassment and sexual misconduct will not be tolerated at Anne Arundel Community College. In order to provide a safe campus community within which all members are valued and respected, the Anne Arundel Community College has established a Sexual Harassment and Sexual Misconduct Policy and accompanying Procedures.

The expectations of the College community regarding sexual misconduct can be summarized as follows: In order for individuals to engage in sexual activity of any type with each other, there must be clear, knowing and voluntary consent prior to and during sexual activity. Silence, in and of itself, cannot be interpreted as consent. Under these Procedures, “no” always means “no.” When alcohol or other drugs are being used, a person will be considered unable to give consent if they lack the capacity to understand the sexual interaction being urged or to communicate their wishes. Verbally coercing someone into sexual activity violates the Sexual Harassment and Sexual Misconduct Policy and Procedures in the same way as does physically forcing someone into sex.

The College’s goals are to create a supportive climate that encourages each victim/survivor of sexual misconduct to report the incident(s) and to provide support and information to assist her or him in dealing with these traumatic events, while respecting the victim/survivor’s right to choose whether or not to report. This Policy and its Procedures are intended to promote campus safety through prompt reporting of all sexual harassment and sexual misconduct incidents to appropriate college and/or law enforcement authorities.

II. FEDERAL COMPLIANCE OFFICER

The Federal Compliance Officer’s core responsibilities include overseeing the College’s response to complaints of harassment, discrimination, and sexual misconduct.
