

Visual Arts Software and Hardware 2016-2017

A guide of frequently asked questions for ART students

Question: What software is available to students enrolled in ART courses?

Answer:

All Visual Arts maintained computers have the following software packages installed:

Adobe Creative Cloud 2015 including:

Photoshop	Illustrator	InDesign	Acrobat X Pro
Flash Professional	Flash Builder 4.7	Dreamweaver	Lightroom
Premiere Pro	After Effects	Audition	SpeedGrade
Prelude	Edge Animate	Bridge	Media Encoder
Acrobat DC	InCopy	Muse	Scout
Edge Code	Edge Reflow	Fireworks CS6	

In addition, these software titles are also available to students:

Audacity 2.0.5	Microsoft Office Professional Plus 2016
Autodesk Ultimate Creation Suite	CD Burner XP
Blender	CrazyBump
Google Sketchup 2016	Google Chrome Web Browser
Notepad	Apple iTunes
VLC Media Player 2.1.3	ProTools 12.5.2*
Celtx 2.9.7	TVP Animation 11.0.3 Pro
ZBrush 4R7 P3	VueScan
Windows Movie Maker (<i>PC only</i>)	DOS Box (<i>PC only</i>)
Media Player Classic Home Cinema (<i>PC only</i>)	

*ProTools ONLY AVAILABLE in CADE 214 and on one Library Station (LIBY 101-16214).
(you will need to request an M-Audio Box).

Question: Where are the Visual Arts maintained computers located?

Answer:

The Visual Arts department maintains 4 computer labs in the Cade Fine Arts building. These labs are CADE 214, CADE 226, CADE 319, and CADE 322. In addition to maintaining 2 computers in the Computer Commons (Careers building 264), Visual Arts also maintains 5 individual computer workstations in the Technology Learning Center on the 1st floor of the Andrew G. Truxal Library.

Question: Is the listed Visual Arts software installed at AACC remote locations?

Answer:

Yes. The software is installed at AACC's Arundel Mills facility: AMIL 311.

Question: What hardware is available for students enrolled in ART courses to use, and where is it located?

Answers:
