NEW STUDENT INFORMATION

APPLY FOR ADMISSION
Students planning to enroll in credit classes must submit an Admission Application. Apply online at www.aacc.edu. There is no application fee, and you only need to apply to the college once in a lifetime. If you wish to change your academic program or personal information, submit a Change of Program/Major Form or Demographic Change Form. Do not submit a second application.

Additional application procedures are required for high school students, international students and students selecting health professions programs.

If you require services or academic support for a learning disability, hearing impairment, physical limitation, visual impairment or other condition, call Disability Support Services at 410-777-1411 or Maryland Relay at 711, or email dss@aacc.edu.

ACTIVATE YOUR COLLEGE ACCOUNTS
Your MyAACC account is where you check your AACC email, plan your schedule, register and pay for classes, view your grades, review financial aid options, and find out what's happening on campus. After completing the admissions application, you will receive important account information and instructions on how to set your password. Once you create your password, you will use both the user name and password to log into MyAACC and access your college account.

DETERMINE PLACEMENT
Degree- and certificate-seeking students may be directed to the Testing and Assessment Services office for academic assessment. To be successful in class, you must demonstrate a proficiency in reading and math skills.

We determine your skill level, or proficiency, by any of the following:

- Advanced Placement (AP) test scores
- American College Test (ACT)
- Anne Arundel Community College Accuplacer Tests
- College-Level Examination Program (CLEP)
- High school GPA and coursework
- Scholastic Assessment Test (SAT)
- Satisfactory completion of English and mathematics courses at other regionally accredited colleges and universities.

APPLY FOR FINANCIAL AID
Complete a Free Application for Federal Student Aid (FAFSA) to start the process at AACC. See page 4-5 for information.

MEET WITH AN ACADEMIC ADVISOR
All new students in degree and certificate programs must meet with an academic advisor following assessment. Call 410-777-2307 for an appointment.

REGISTER FOR CLASSES
New students must submit a registration form, back of this booklet, to any of the locations on page 4.

PAY YOUR BILL
Pay your tuition bill when you register or by the due date on the bill. See page 2 for payment information.

ATTEND MANDATORY ORIENTATION
All new, credit-seeking students are required to attend orientation. You will be introduced to the various aspects of academic and campus life, prepare for your first class and get your AACC experience off to a great start. Students are encouraged to attend an in-person session. Visit www.aacc.edu/orientation for dates and time and to sign up for a session.

STAY CONNECTED
Use MyAACC website https://portal.aacc.edu to schedule future academic advising appointments via advising's online scheduling system “OASIS;” register for classes; look up your grades; see college announcements; email your instructors, advisor and friends; and access the AACC Bookstore and Truxal Library.

ATTEND THE FIRST CLASS
Evidence has shown students who attend the first class meeting are more successful in that course.

HOW TO REGISTER • MYAACC ONLINE SERVICES • FINANCIAL AID

3 WAYS TO REGISTER

Summer 2020 registration begins Tuesday, March 10 at 12:01 a.m.

1 ONLINE – https://portal.aacc.edu
You may register via the web if you:

- Are enrolled in a credit or developmental AACC course or have taken a credit course in the past five years and have an active MyAACC account
- Have met the prerequisite(s) and it is noted in your record
- Have your current address on file with the records and registration office
- Are not an international student or otherwise restricted by a financial hold including business, library, public safety or physical education

Steps to register online

- Enter your user name.
- Enter your password. If you changed your password and cannot remember it, go to www.aacc.edu/password to access the Password Management Tool.
- Go to Menu.
- Click Self Services > Credit Students > Register for Credit Classes

2 BY MAIL – March 10-May 15
Complete the registration form in the back of the Schedule of Classes and mail it with payment to:
AACC RECORDS AND REGISTRATION OFFICE
101 COLLEGE PARKWAY, ARNOLD MD 21012-1895
For payment options see page 2. Your class schedule is mailed when registration is complete.

3 IN PERSON
Register in person at the Student Services Center in Arnold, AACC at Arundel Mills, Fort Meade Army Education Center or the Glen Burnie Town Center. For payment options see page 2.

MYAACC ONLINE SERVICES

Schedule an academic and transfer advising appointment
Go to MyAACC > Menu > Self Services. Under Self Services Resource Links on that page, click on Advising Appointments to make an appointment to see an advisor. New students should call 410-777-2307 to schedule an appointment.

Send, receive email and conduct other business
Important notices from the college are often sent to MyAACC email. Stay informed by checking your MyAACC email daily.
Check out all the other available features on MyAACC. Using MyAACC, go to Menu > Self Services and you will find information on making a payment, your class schedule (including classroom locations), manage your wait lists and more.

View your grades and order transcripts
We do not automatically mail your grades to you. Using MyAACC, go to Menu > Self Service > Credit Students > Academic Profile > Grades. Under the Credit Students menu you also may order a grade report sent to your home.
Check out several ways to order your official AACC transcript. Visit www.aacc.edu > Resources for Students > Student Records > Request a Transcript.

FINANCIAL AID FAST FACTS

STEP 1 – Complete a Free Application for Federal Student Aid (FAFSA) (School code = 002058)
To apply for federal grants and loans, many state aid programs and most AACC aid programs, you must submit a FAFSA every school year. Apply at https://fafsa.gov.

STEP 2 – Complete the AACC Institutional Scholarship Application
Apply online at MyAACC > Self Services > Credit Students > Financial Aid.

STEP 3 – Apply for Maryland’s State Aid Programs and Maryland Promise Scholarship
Complete your FAFSA or MSFAA by March 1. Visit www.mhec.state.md.us.

STEP 4 – Search for Outside Scholarships
Each private aid organization sets its own application procedures and deadlines. Most deadlines are in February and April for the following academic year. Visit www.aacc.edu/scholarships for links to several free national scholarship searches. Avoid scams. You should never have to pay for financial aid searches or applications.

What’s Available?

- Financial aid is available for both part- and full-time students.
- Most grants are based on financial need.
- Scholarships are based on achievement, financial need and/or other criteria.
- Federal student loans are available to students with and without demonstrated financial need and must be repaid.
- Student employment programs provide opportunities for campus-based employment, but are very limited.
- VA educational benefits are available to qualified students.
- Financial aid from Maryland Higher Education Commission.

Questions?
Email finaid@aacc.edu, call 410-777-2203 or visit our offices in Arnold, at AACC at Arundel Mills or Glen Burnie Town Center.
PAYMENT INFORMATION

VA Educational Benefits

Students Receiving Financial Aid, Tuition Assistance or third-party payment
If you are paying your bill with financial aid, tuition assistance or a third-party payment, visit [www.aacc.edu/costs-and-paying/credit-costs-and-payment/paying-your-bill](http://www.aacc.edu/costs-and-paying/credit-costs-and-payment/paying-your-bill) for important information. You are responsible for any charges not covered by the third-party assistance.

Tuition waivers and reductions
Tuition waivers or reductions are available for qualified students. If you are a student with a disability, senior citizen, recipient of Maryland Foster Care, Maryland National Guard, deaf or hard of hearing, individual support for parents or Maryland Unaccompanied Homeless Youth programs. Maryland Dream Act recipient or an Early College high school student, you may qualify for a waiver. Information: [www.aacc.edu/costs-and-paying/credit-costs-and-payment/paying-your-bill/waivers](http://www.aacc.edu/costs-and-paying/credit-costs-and-payment/paying-your-bill/waivers).

Refunds and withdrawals
For information on dropping/withdrawing with a refund, refund for a canceled courses, how refunds are disbursed, refunds for continuing education courses, refunds and financial aid, and withdrawing from a credit course visit [www.aacc.edu/costs-and-paying/credit-costs-and-payment/paying-your-bill/refunds](http://www.aacc.edu/costs-and-paying/credit-costs-and-payment/paying-your-bill/refunds).

Past-Due Accounts
Bills not paid in full by the due date are subject to late fines and collection. If your account is turned over to a collection agency, you are financially responsible for all tuition and fees, late fees, reasonable attorney’s fees and collection costs.

Returned Checks
Each time your check is returned by your bank, $25 is charged. We will resubmit your check one time. After more than one returned check is posted to your account, you must use cash, certified check, money order, debit or credit card for all payments.

Class Cancellations
The college may cancel a course that lacks sufficient enrollment before it is scheduled to begin. When a course is canceled, we make every effort to notify all registered students promptly. A full refund is processed automatically unless the student elects to transfer to another course or section. You can help avoid cancellations by registering at least two weeks before the starting date. If one or more of your classes are canceled and you don’t replace them, the cashier’s office will issue your refund two to three weeks after the last day to drop classes.

WAYS TO TAKE CLASSES

Audited Classes
Audited classes are excluded from your grade point average but appear on your transcript. Regular tuition and fees apply and may affect financial aid eligibility. Financial aid funds will not pay for audited classes.

Computer Intensive
Sections meet in a computer lab classroom, where traditional lecture time will be replaced with in-class opportunities to learn and practice mathematics. This innovative learning design uses technology to enhance instruction, meet individual student needs and establish a positive learning culture in the classroom. For more information, contact the Mathematics department at 410-777-2360.

Credit and Noncredit Share courses
Look for this symbol ▼ for courses offered for academic credit and noncredit. You receive a grade for a credit class. The grade appears on your transcript and can apply toward a degree, certificate or letter of recognition. If you enroll as a noncredit student, you do not earn academic credit but can receive Continuing Education Units (CEUs) in designated courses. CEUs are a nationally recognized measure of skills or work-related training. With the instructor’s written permission, you may transfer to credit status only during the first three weeks or nine classroom hours.

Face-to-Face
Face-to-face courses (lectures and labs) meet in a classroom. An instructor provides a lecture or leads a discussion in person and you see your fellow students face-to-face.

Hybrid
Hybrid classes require face-to-face classroom instruction meetings (at least 25%) with at least 50% of instruction occurring online.

Learning Communities
Learning communities link two or more courses around a common theme. The teachers work together so content is reinforced, assignments are spaced and tests rarely fall on the same day – so more fun without more work! Students also work together to help one another succeed – and make friends along the way!

Noncredit Classes
Excluded from your grade point average, these classes are counted in course load. Some classes lead to a certificate of completion, earn CEUs, help you become licensed or certified, or prepare you to take a certification exam.

Online
Online classes are conducted via the internet. Some classes may require meetings for quizzes or taking proctored exams in a testing office.

Service Learning
Service-learning options are available in some courses to provide short-term community volunteer experiences that enhance student learning.

DEADLINES

DROP/WITHDRAW/REFUND DEADLINES

Note: The last day courses may be dropped is also listed on the students’ MyAACC page under My Classes.

For classes scheduled to meet EIGHT WEEKS OR MORE.
• Students may drop the class for five calendar days after the date of the first scheduled class meeting and receive a full refund.
• Students have five calendar days after the last day to drop with a full refund to withdraw from a class and receive a 60 percent reduction of tuition, general student fees and lab fees charged for the class.
• If a student withdraws more than 10 calendar days after the date of the first scheduled class meeting, no refunds will be issued.
• For hybrid and online classes, the first day of the session is considered the first scheduled class meeting.

For classes scheduled to meet SEVEN WEEKS OR FEWER.
• Students may drop the class for two calendar days after the date of the first scheduled class meeting and receive a full refund. No refunds will be given after that date.
• For hybrid and online classes, the first day of the session is considered the first scheduled class meeting.

AFTER THE WITHDRAW DATE and through the last day of class, you must meet with an academic advisor to initiate a request for a late withdraw.

Note: All classes in which a student is enrolled after the drop date will be entered permanently into their academic record.

ATTENTION GRADUATING STUDENTS!

SUMMER GRADUATION APPLICATION DEADLINE: APPLY BY JULY 1
Students eligible for degrees and certificates by the end of the summer term must complete and file a graduation application with the Records and Registration office.

To apply, go to MyAACC > Menu > Self Services > Credit Students > Academic Profile > Graduation Application.

Find out if you have enough credits to graduate with a certificate while continuing to work toward your associate degree. Graduate with two credentials! Review your credits with an academic advisor: 410-777-2307. If a class you need for graduation is canceled, consult an academic advisor immediately by calling 410-777-2307.

Think of the day YOU will graduate!
Arundel Mills Regional Higher Education Center (AMIL) offers 12 undergraduate and graduate degree programs from five institutions at one convenient location in Anne Arundel county. Students who successfully complete their coursework at AMIL can graduate with a degree from one of these partner universities.

For information call 410-777-2472 or visit www.aacc.edu and search “University Consortium.”

12 DEGREE PROGRAMS | 5 INSTITUTIONS | 1 CONVENIENT LOCATION

### HYBRID – SUMMER 2020

Hybrid courses combine the best of classroom learning with the convenience of learning online, with at least half of the instruction online! If you choose a hybrid class, you must attend scheduled class meetings, which are fewer than most face-to-face classes, reducing the amount of time spent in the classroom. For information call 410-777-2464, email virtualcampus@aacc.edu or visit www.aacc.edu/take-classes-online. For dates and prerequisite information, see pages 11-29.

*Course with prerequisite
Choose from more than 300 online credit courses and numerous credit degree programs and certificate programs. Visit www.aacc.edu/take-classes-online. See pages 11-29 for dates and prerequisite information.

To determine if online courses are right for you, take a readiness survey at www.aacc.edu/course-search. Check with academic departments for specific information on course technology/software requirements. If you lack adequate computer access from home or work, use computer labs in Truxal Library or the Computer Commons in Careers Center Room 264, both in Arnold, at AACC at Arundel Mills or the Glen Burnie Town Center.

Access your courses by logging into MyAACC at https://portal.aacc.edu. Note: Some online courses may require proctored exams or on-campus assessments in a testing office.

For information, call 410-777-2464, or email virtualcampus@aacc.edu.

For course descriptions, additional class offerings and instructor information, visit www.aacc.edu/course-search.

*Course with prerequisite
AACC BOOKSTORE
The AACC Bookstore has locations in Arnold AACC at Arundel Mills. Visit AACC Bookstore online at www.aaccbooks.com for store hours, to obtain the most current textbook information and to learn about ways to save on textbooks. You also can place your textbook order online with the option for delivery to your home or business for a nominal shipping fee. Call 410-777-2220 for information.

AACC PHOTO ID CARDS
Students currently enrolled in credit or noncredit classes are eligible for an ID card. Visit the AACC Bookstore to get your card.

CHILD CARE
The Child Development Center in Arnold offers high quality early education and child care services.
Licensed by the Maryland State Department of Education and accredited by the National Association for Education of Young Children full- and part-time care is available for children ages 2-5 years during the day. Discounted rates available for eligible students. Free evening child care for children ages 3-12 years is available in the spring and fall terms for Pell-grant eligible students. Space is limited and preregistration is required for all programs. Call 410-777-2450 or visit www.aacc.edu/cdc.

CLOSINGS
Unscheduled closings (emergency, inclement weather): When severe weather or other emergency conditions occur, listen to local radio or TV stations for closing announcements. Check webapps.aacc.edu/stayinformed. Sign up for a text message alert to your cell phone and email address at www.aacc.edu. Listen for specific mention of the college, as we may not close when Anne Arundel County Public Schools close. When public schools close for inclement weather or emergencies, all classes at public school locations are canceled. When the college closes, all classes at off-campus sites are canceled.
Scheduled closings at Anne Arundel County Public Schools: When county public schools schedule closings, CAT-N, CAT-S, North County High School and Severna Park High School will open for AACC evening classes.

CLASS CANCELLATIONS
The college may cancel a course that lacks sufficient enrollment a week before it is schedule to begin. When a course is canceled, we make every effort to notify all registered students promptly. A full refund is processed automatically unless the student elects to transfer to another course or section.
You can help avoid cancellations by registering at least two weeks before the section state date. If one or more of your classes are canceled and you don't replace them, the cashier's office will issue your refund two to three weeks after the last day to drop classes.

WAIT LIST PROCEDURES
The wait list stores names in chronological order of the request. To add yourself to a wait list, use MyAACC, or put your wait list request on a registration form and submit it in person. Courses on your wait lists are not eligible for calculation toward your full-time or part-time enrollment status and do not count toward financial aid or health insurance eligibility.
If you placed your name on a wait list for a course section, you are responsible for managing your wait list using your MyAACC account. If a seat becomes available in the course section for which you are on the wait list, and you are on the top of the wait list, you will receive an email notification to your MyAACC account. You must register for the class by midnight to avoid losing your priority position on the list. Using MyAACC, you also can monitor your position or number on a wait list and remove yourself from an unwanted wait list.
The wait list is eliminated about four days before the start date of the session.

CONTINUING EDUCATION
Whether you hope to pursue a new job or advance your career, learn a skill or explore a new hobby, the School of Continuing Education and Workforce Development can assist with continuing education opportunities. Visit www.aacc.edu/programs-and-courses to browse job training or personal enrichment offerings. To register for classes, visit www.aacc.edu/noncredit. For information, call 410-777-2325 or email iscenter@aacc.edu.

RESOURCES FOR STUDENTS
Find resources available to students by visiting www.aacc.edu/resources. Services include academic, student records, campus amenities, career and employment, disability support services, child care, health and personal counseling, Student Achievement and Success (SASP) and Technology.

STUDENT EMERGENCY SUPPORT SERVICES
AACC stands ready to assist students who may be facing financial crisis.
• Our financial aid officers will help you navigate through social and community services.
• Short-term issues may be addressed through AACC's food pantry, or Helplink, a source of grant money for which students in need can apply.
• If you are struggling with debilitating financial circumstances, apply for a Helplink Grant in the Student Union Room 225 and receive up to $300 of emergency funds in a single academic year. Call 410-777-2511 or email studenthelpdesk@aacc.edu.
• Stop by SUN 225 or GBTC 215 to see what foods and snacks are available in the food pantry.

HEALTH AND WELLNESS CENTER
Registered nurses are here to help with your health and wellness needs. The center is located in Student Union Room 120, and open 8:30 a.m. to 4:30 p.m. Monday through Friday. A variety of free and confidential services are offered.
For information about the center, call 410-777-2480. email bamays@aacc.edu or visit www.aacc.edu/resources/health-and-personal-counseling/health-wellness-center.

SUBSTANCE ABUSE EDUCATION OFFICE
AACC recognizes the individualized needs of students in recovery and those seeking recovery. The Substance Abuse Education Office located in Student Union Room 120 provides prevention, education, support and resources for students and employees facing alcohol or drug related concerns. A variety of services are offered. For information and hours stop by the office, call 410-777-2527, email llawsonmunsey@aacc.edu or visit www.aacc.edu/resources/health-and-personal-counseling and click on substance abuse education.

For course descriptions, additional class offerings and instructor information, visit www.aacc.edu/course-search.
DIRECTIONS TO CAMPUS
Visit us on the web or call 410-777-2243. A map of the Arnold campus can be viewed and printed at www.aacc.edu/about/locations.

PARKING
AACC offers free parking at the Arnold campus and all off-site locations. Arnold students may park in all unmarked spaces at any time. Students may park in reserved (numbered spaces) after 5 p.m. Mondays through Fridays and all day Saturdays and Sundays, and also in faculty/staff spaces after 7 p.m. Mondays through Fridays and all day Saturdays and Sundays. At the Glen Burnie Town Center and HCAT Institute, use the free public parking garage across the street on Baltimore Annapolis Boulevard. Do not park in the nearby Food Lion parking lot. Your vehicle will be towed.

MASS TRANSIT
For detailed information visit www.aacc.edu/about/locations/bus-service.

NOTICE OF NONDISCRIMINATION
AACC is an equal opportunity, affirmative action, Title IX, ADA Title 504 compliant institution. Call Disability Support Services, 410-777-2306 or Maryland Relay 711, 72 hours in advance to request most accommodations. Requests for sign language interpreters, alternative format books or assistive technology require 30 days’ notice. For information on AACC’s compliance and complaints concerning sexual assault, sexual misconduct, discrimination or harassment, contact the federal compliance officer and Title IX coordinator at 410-777-1239, complianceofficer@aacc.edu or Maryland Relay 711.

GENERAL INFORMATION

AACC CONSUMER INFORMATION
The Higher Education Act (HEA) of 1965, as amended by the Higher Education Opportunity Act (HEOA) of 2008, includes many requirements for disclosing information to the public www.aacc.edu/aid/consumerinfo.cfm. Information about enrollment, transfer rates, graduation rates and crime statistics at AACC can be found by searching for AACC at the IPEDS COOL database at www.nces.ed.gov/Globallocator.

A report detailing the racial and gender makeup of the full-time, degree-seeking student body and the number of students receiving athletically related financial aid is available from the Admissions and Enrollment Development office and the Records and Registration office. The most recent data showing characteristics of full-time, degree-seeking students and student-athletes is available by viewing the Student Right to Know and Campus Security Act.

The Department of Public Safety and Police prepares the annual Security Report and distributes the report in accordance with the federal Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. Paper copies are available at the Department of Public Safety and Police on the Arnold campus. The report also is available online at www.aacc.edu/campus-safety.

AACC is required to provide a calculator to furnish estimated net price information to current and prospective students and their families based on what similar students paid in a previous year. Estimated cost (price) of attendance includes tuition and required fees, books and supplies, room and board (meals) and other related expenses minus estimated grant and scholarship aid. To utilize the Net Price Calculator to help estimate college costs, visit www.aacc.edu/cost-and-paying.

All coeducational institutions of higher education that participate in a federal aid program and have intercollegiate athletic programs must provide information concerning their intercollegiate athletic programs. This information is published by the AACC Athletics department. For a copy of the report, contact the Athletics department, the Admissions and Enrollment Development office or the Financial Aid office.

We encourage all students to register to vote. In support of national legislation to make voter registration convenient, the college has Maryland Voter Registration Applications available. Pick one up at the Information and Visitors Services office on the first floor of the Student Services Center, or call 410-777-2222 to have an application sent to you. You also can register online at www.elections.state.md.us/voter_registration/application.html.

Jan. 1 ushered in a new decade as well as a new phase in the construction of the 175,000-square-foot, state-of-the-art Health and Life Sciences building. The facility will house health science, nutrition and biology programs, allow for the expansion of the college's nationally ranked nursing program, and host a new environmental center. This project is funded by the state of Maryland and Anne Arundel County, and is expected to open in August 2021.

The new Clauson Center for Innovation and Skilled Trades is the first privately funded building at AACC, slated to open in time for the fall 2021 term. The building will host six inaugural, in-demand programs: welding, framing and finish carpentry, plumbing, electric, HVAC and forklift operation. The Clauson Center addresses a clear need in Anne Arundel County. More than 4,000 trades positions go unfilled every year and the county predicts 40% job growth over the next decade.
