TOP HONORS

• AACC received the Higher Education Excellence in Diversity Award from INSIGHT Into Diversity magazine for the third year in a row. The college was one of 95 recipients to win the only national honor for U.S. colleges and universities for demonstrating an outstanding commitment to diversity and inclusion.

• The U.S. Department of Education awarded the Child Care Access Means Parents in School grant to AACC. The almost $100,000 will provide free child care to qualified students, along with a parent support group and professional development for staff.

• Military Advanced Education and Transition’s Guide to Colleges and Universities included AACC on its list of schools for those in uniform. Institutes were ranked by considering military culture, financial assistance, flexibility, online and on-campus support.

• AACC is one of 57 colleges and universities in the nation recently awarded a Justice Department grant addressing sexual violence on campus. The $300,000 award will go toward establishing a relationship and sexual violence prevention, intervention and post-vention project.

• The Licensed Practical Nursing program at AACC earned high marks as the number one LPN program in Maryland, according to rankings released by TopNursing.org. The program was ranked first among the 13 across the state.

LOCATIONS / COLLEGE RESOURCES

AACC is a single-campus community college in Arnold, off-campus sites at Arundel Mills in Hanover; the Glen Burnie Town Center; the Sales and Service Training Center in Arundel Mills mall; the Hotel, Culinary Arts and Tourism (HCAT) Institute in Glen Burnie; and the Center for Cyber and Professional Training across from Arundel Mills in Hanover; as well as offices at the Fort Meade Army Education Center. AACC also offers classes at more than 90 county locations including schools, churches and senior centers. Student services are available online and at the Arnold campus, AACC at Arundel Mills, the Glen Burnie Town Center and the Fort Meade Army Education Center.

ARNOLD CAMPUS

• The Andrew G. Truxal Library contains 152,186 books, 135 print periodicals, 201 videotapes, 570 CDs, 2,938 DVDs and 60 online databases offering access to more than 15,000 electronic journals, 114,000 electronic books, 60 science models, hundreds of thousands of digital images and hours of streaming video and audio.

• AACC has a lab for mechatronics, a combination of mechanical engineering, electronics and computer programming used in today’s manufacturing industry, in the Center for Applied Learning and Technology. The center also contains design studios and computer labs for architecture and interior design, continuing education, computer information systems, computer science, electronic and telecommunication technologies and engineering programs.

• The Careers Center includes the state-of-the-art Berlitz Memorial Microbiology and Environmental Studies Laboratory, an entrepreneurial studies resource center and math lab.

AACC AT ARUNDEL MILLS (AMIL)

AACC at Arundel Mills, designated by the state as a Regional Higher Education Center, is a four-story, 77,000-square-foot facility. It houses the AACC University Consortium that allows students to attain a four-year degree without leaving the county; the Teacher Education and Child Care (TEACH) Institute; the Hotel, Culinary Arts and Tourism Institute’s Casino Dealer School facilities; the Physician Assistant program; the Science, Technology, Engineering and Math (STEM) Center; student services; classrooms and labs.

SALES AND SERVICE TRAINING CENTER (SSTC)

The Sales and Service Training Center at Arundel Mills mall works in partnership with the Anne Arundel Workforce Development Corp. and the Maryland Department of Labor, Licensing and Regulation to provide services to job seekers and employers at no cost through the One-Stop Career Center. AACC offers Adult Basic Skills and GED classes throughout the year during the days, evenings and on Saturdays.

CENTER FOR CYBER AND PROFESSIONAL TRAINING (CCPT)

The Center for Cyber and Professional Training is located at 7556 Teague Road near Arundel Mills. The 30,000-square-foot center houses eight specialized computer labs, one new health sciences skills lab, four SMART classrooms, a testing center and faculty support space. It also is home to the Corporate Training Group, which provides employee training and business services to companies, agencies and organizations whenever and wherever the training is needed.

GLEN BURNIE TOWN CENTER (GBTC)

AACC operates facilities in two buildings in Glen Burnie. The five-story Arundel Center North has classrooms, computer facilities and student services. The 10,000-square-foot Hotel, Culinary Arts and Tourism Institute has a commercial kitchen that can hold two classes and three training classrooms and a computer lab.

WHERE THE FUNDING GOES FY 2018

The net added income generated by AACC operations ($112.1 million), the spending of nonlocal students ($60.5 million) and the higher alumni earnings and increased business profit and ripple effects from alumni impact ($3.479 million) contributes $520.5 million in income to the Anne Arundel County economy each year.

FOR EVERY TAX DOLLAR SPENT on educating students attending AACC in the 2015-16 fiscal year, taxpayers receive an average of $2.60 in return over the course of the students’ working lives. In other words, taxpayers enjoy an annual rate of return of 10 percent.

$52,700
The average income of a student with an associate degree (30 percent more than a student with a high school diploma).

State and local governments see a rate of return of 9.6% on their support for AACC.

$71.8 million of state and local funding to AACC in FY 2016.

$174.1 million in added tax revenue stemming from the students’ higher lifetime earnings and the increased output of businesses.

$13.8 million estimated savings to the public sector due to a reduced demand for government-funded social services in Maryland.
