

**2021-22 ARTICULATION AGREEMENT
BETWEEN
THE BOARD OF EDUCATION OF ANNE ARUNDEL COUNTY
AND
ANNE ARUNDEL COMMUNITY COLLEGE**

Anne Arundel Community College, hereinafter referred to as AACC, a two-year college in Anne Arundel County, Maryland, and The Board of Education of Anne Arundel County, hereinafter referred to as AACPS, a public school system in Maryland, agree to offer an articulated program wherein students that successfully complete the Project Lead the Way (PLTW) Pathway to Engineering (PTE) program at AACPS are eligible to receive, upon admission to AACC, articulated credits for specified courses offered at AACC, as fully set forth below.

This agreement is entered into in the interests of our students and becomes effective on the date set forth on the last page of this document, following the signatures of the appropriate officials from both institutions.

The following sections describe the specifics of the agreement:

High School Program:

PLTW Pathway to Engineering (PTE) including *Principles of Engineering, Introduction to Engineering Design, Digital Electronics**, *Capstone – Engineering Design and Development* and one of the following specialty courses:

- *Aerospace*
- *Civil Architecture*

*Credit for EET 231 cannot be granted without the successful completion of the *Digital Electronics* course.

Community College Programs:

Electronics Engineering Technology

Eligible Articulated Credits:

(EET 231) Digital-Electronic Circuits *	4 credits
(EET) Technical Elective	4 credits

Suggested Dual Enrolment AACC Courses:

(EET 118) Electronic Hardware and Assembly Techniques

Maximum Articulated Credits for A.A.S. Degree: 8 credits

Maximum Articulated Credits for Certificate: 8 credits

Under this agreement, students completing the AACPS PLTW Pathway to Engineering (PTE) program are eligible to receive four (4) articulated credits for (EET 231) Digital-Electronic Circuits and four (4) articulated credits for a technical EET elective at AACC. Students should be aware it is the discretion of a four-year transfer institution as to whether or not they will accept articulated credit. Students should plan early and seek academic advising regarding transfer to a four-year institution.

The AACPS PLTW Pathway to Engineering (PTE) technology teacher may recommend a student for articulated credit if the student has (a) successfully completed the PLTW Pathway to Engineering (PTE) program in its entirety with a grade of 3.0 or higher and (b) has completed the *Request for Evaluation of Articulated Credit* form available on AACC’s Early College Access Programs webpage, www.aacc.edu/ecap, including signature by the technology teacher, and (c) included a copy of their official AACPS transcript. Recommendations will be made to the college’s School of Science, Technology and Education, Department Chair of Engineering.

Students must satisfy the criteria listed below:

1. The student must be enrolled at AACC within one year of high school graduation or by permission of the college’s School of Science, Technology and Education, Department Chair of Engineering.
2. Before articulated college credit(s) become part of the student’s official transcript, the student must complete six credits of college coursework at AACC with a grade of 2.0 or higher.

Students will adhere to requirements in the articulation agreement coinciding with the academic year prior to his/her high school graduation. Tuition for courses and credits earned through this Articulation Agreement will be waived.

This Articulation Agreement is to be reviewed at the end of each academic year by the School of Science, Technology and Education, Department Chair of Engineering at AACC, and the Assistant Superintendent, Curriculum and Instruction at AACPS, and may be changed if approved by both parties or withdrawn at the option of either party. Termination of this agreement will not affect any students currently enrolled in the PLTW Pathway to Engineering (PTE) program at Anne Arundel County Public Schools at the time of termination.
