

KIDS **in** COLLEGE

ANNE ARUNDEL COMMUNITY COLLEGE

SUMMER 2019 CAMPS

Welcome to Kids in College!

Thank you for considering our camps for your child this summer! Our goal is to provide a positive educational experience for all campers in a safe and fun environment.

Your child's safety while attending camp is a priority for us. Our procedures are carefully planned to ensure an enjoyable and safe experience at Kids in College. Our camp is in good standing with Maryland State Department of Health and Mental Hygiene. We adhere to all state regulations and are inspected regularly by the state.

Critical information for camper families will be found on pages 25-29. If your child is enrolled in Cooking, Mad Science, Sports, Sewing or Theater camps, important, camp-specific information is included.

EXPLORE/MIDDLE SCHOOL SCHOLARS

EXPLORE and Middle School Scholars (MSS) are enrichment programs for gifted and talented students sponsored by the Advanced Studies Programs Office of the Anne Arundel County Public Schools. These camps nurture students' potential by stimulating thinking, improving reasoning, enhancing creativity and encouraging group interaction. EXPLORE/MSS camps are highlighted in green.

SELECTING YOUR CHILD'S CAMPS

Grade levels are based on your child's enrollment in the 2018-2019 school year. Camps are designed to meet the educational and socialization needs of the campers.

Place your child in a grade-appropriate camp. The Kids in College office reserves the right to remove a camper from a camp that is not grade-appropriate and place them in an appropriate camp.

The Kids in College and EXPLORE/MSS camps at a glance (pages 1-7) are listed by weeks followed by grade levels. Camp descriptions (pages 9-22) are organized in alphabetical order.

REGISTERING FOR CAMP

HOW TO REGISTER

Complete the registration form on the back page of the brochure and return it by fax **410-777-4325**, mail or in-person.

ONLINE REGISTRATION

To set up an online account for your child go to www.aacc.edu/resources/technology/myaacc.

Under new students, option 3, click online personal identification form. Carefully complete the form with your child's information. You do NOT need to include the last four digits of the Social Security number.

You will see a confirmation screen and immediately be prompted to complete the identify verification process. After that, it may take up to one hour for the account to be created and to receive a confirmation email with your AACC ID (also called student ID or employee ID), user name, and instructions to set up and manage your password. This student ID number will be your child's student ID number for all future classes taken at the college including credit classes. Be sure to keep the following information for future use:

- User name
- Password
- Student ID number
- Answers to security questions

You can set one account per email address. If you have an account at the college or if you need to set up accounts for more than one child, you will need unique emails for each account.

Need help registering? Call Amanda at **410-777-1182**.

MANAGING YOUR CAMPER'S ACCOUNT ONLINE

If you set up an account for your child online you will be able to:

- Register, add or drop a class
- Complete the required camp forms
- View your child's schedule
- Print a copy of their student account information for spending account reimbursement.

Returning Students: Forgot your password? Click on forgot your password.

You will need to know your camper's AACC user name and student ID number, and answer security questions.

REFUND POLICY

If your child cannot attend a course or camp, a course drop form must be completed, submitted and received by the college no later than five (5) calendar days prior to the course or camp start date in order for a refund to be issued. Completed course drop forms can be submitted by fax (410-777-4325), mail, online through MYAACC or in-person at one of our registration sites. Drop forms not received within the time period required above will be processed, but no refund will be issued.

TEAMWORK

A number of camps require campers to work in pairs or teams. Each child enrolled in camps noted with the phrase "campers will work in teams" must be comfortable and able to work closely with other campers or in a small group.

HOURS OF OPERATION

Kids in College offers a variety of full- and half-day camps. Children enrolled in two half-day camps should register for Lunch Bunch for that week. Your camper will be escorted and supervised during a lunch/recess period and escorted to their afternoon camp. Before and after care are available if you need supervision before 9 a.m. and after 4 p.m.

REQUIRED PAPERWORK

All required forms can be found at www.aacc.edu/kic under required forms or they may be completed online in your child's MYAACC account.

HEALTH INFORMATION

Our goal is to provide a safe environment for each camper to enjoy a summer full of fun and enriching activities. For your camper's safety, the college nurse must be aware of your camper's medical needs and the approved protocol to follow.

If your child has a health concern, note it on the health history form and call the college nurse, Beth Mays, at **410-777-2480**. Examples of health concerns include: medications used during the camp day, asthma, diabetes, epilepsy, seizures or heart defects. If your camper is required to carry an EpiPen, inhaler or insulin, parents must call the nurse at **410-777-2480** at least two weeks prior to the start of camp or at the time of registration if it is less than two weeks before the start of camp.

The college nurse is available for emergency illnesses or accidents. You will be contacted to pick up your camper if they are unable to return to camp. Please respond promptly.

NUT ALLERGIES

The college cannot provide a nut-free environment.

IMPORTANT THINGS TO KNOW

MEDICATIONS

No medication (prescription or nonprescription) can be accepted without the Administer Medication at Camp form signed by your health care provider. This also includes campers with insulin pumps. Visit www.aacc.edu/kic for an **Administer Medical at Camp** form.

- Parents must complete and sign the top section of the Administer Medication at Camp form for each prescription and over-the-counter medication your camper requires.
- The camper's health care provider must complete the bottom half of the Administer Medication at Camp form and provide the official stamp of the health care provider.
- The camper and parent must contact/meet with the college nurse at least two weeks prior to the start of camp to have or to carry medication at camp.
- If your camper requires an EpiPen or rescue inhaler, you will be given an authorization form that you will give to your camper's instructor.
- Campers with diabetes must provide a copy of the camper's Maryland State Management of Diabetes at School order form for the current school year (2018-2019). If you do not have a current copy, it can be found at www.aacc.edu/kic under forms.
- Each prescription medication must be in the original container labeled by the pharmacist or physician.
- Nonprescription medications must be in the original sealed container.
- Medications must be in a sealed plastic bag with the camper's name clearly marked.
- Medication must be taken to Health Services in SUN 120 by an adult and left with a member of the health services staff.
- EpiPens and rescue inhalers should be taken to the classroom with the authorization form from the nurse.
- If your camper does not have authorization from the nurse to have rescue medication, then you and your camper will need to go to the Health and Wellness Center before starting camp.

CAMPER ACCOMMODATIONS

If your child has a documented learning, physical, medical or emotional disability, contact Disability Support Services (DSS) at **410-777-1411** to discuss your camper's needs and the type of accommodations that may be required. You must contact the DSS office each time your camper enrolls in camp even if you have received accommodations in the past.

You must contact DSS at least 30 days prior to the start of camp to provide time to assess and implement an accommodation request. Inadequate notice may result in your child not being able to attend camp.

AACC does not provide personal medical assistants, care attendants or aides of any other type. Parents are not permitted to attend camp with their child.

Kids in College faculty and staff are not permitted to accept accommodation plans from parents or guardians. All requests for accommodations must come through DSS.

ANNE ARUNDEL COMMUNITY COLLEGE

COMING TO CAMP

FIRST DAY OF CAMP

Look for Kids in College staff dressed in tie-dyed T-shirts around campus. They are there to help you find your child's camp. A few reminders:

- All vehicles must be in a marked parking spot. Do not use assigned parking spots.
- All required paperwork must be completed before your child can be dropped at camp. We suggest you bring a copy of the paperwork with you in case we did not receive the copy previously sent.
- Sign your child into camp and meet the instructor and counselor.

LOCATIONS

Room locations for camps held at Arnold are posted the Thursday prior to the start date at www.aacc.edu/kic. You also may find locations by calling **410-777-2325**.

Bookmark our campus map to your smart phone to make finding your way around campus easier.

MORNING SESSIONS end at noon. If your child does not have a scheduled afternoon camp, plan to pick them up promptly at noon. Campers not picked up by 12:15 p.m. will be escorted to the Kids in College office in Johnson Building Room 212 for pickup. A late fee of \$25 will be charged.

FULL-DAY AND AFTERNOON SESSIONS end at 4 p.m. Plan to pick your child up promptly at 4 p.m. Campers not picked up by 4:15 p.m. will be escorted to the Johnson Building Room 212 for pickup. Campers not picked up by 4:30 p.m. will be escorted to after-care pickup. Children not picked up by 5 p.m. will be registered in the afternoon after-care program and you will be billed.

If you are going to be delayed, call us at **410-777-1182**. We will let your camper know you are running late and we will let you know where to pick up your camper.

GETTING AROUND CAMPUS

Campers will be escorted at all times during the camp day. Campers enrolled in before- and after-care are escorted by their counselors to their camp. The lunchtime activities are supervised by KIC staff.

SNACKS

Send a snack and drink for your child each day. Vending machines are available but do not include healthy snacks.

IMPORTANT THINGS TO KNOW

LUNCH

Campers enrolled in both a morning and afternoon camp should register for Lunch Bunch (KDS 803). These campers will be escorted from their morning camp to lunch and a supervised recreation period and then escorted to their afternoon camp.

Campers in a full-day camp will be escorted from their camp to lunch and a supervised recreation period and then escorted back to camp.

Campers must bring a lunch that does not require refrigeration with them each day. Do not send foods that require heating in a microwave.

Campers who forget their lunch will be provided with a box lunch from the cafeteria. Parents will be charged \$8.

Note: We are unable to supervise any camper enrolled for a half-day only during lunch.

FIELD TRIPS

- Transportation will be provided in the college's 15- or 24-passenger buses. Field trip permission forms will be required. State law requires campers under age 8 to use a booster seat.
- Campers are expected to remain with their assigned group at all times.
- Campers are expected to follow the instructions from their group leader.
- Campers are expected to remain seated on the bus.
- Eating on the bus is not permitted. Drinking is limited to water only.
- Excessive noise is not permitted.
- Disruptive behavior puts others at risk. A disruptive camper may be required to have parental supervision on any future field trips.
- Campers should wear their Kids in College T-shirt for field trips.

SECURITY AND SAFETY

Anne Arundel Community College is committed to providing a safe learning environment for our students.

- Kids in College/EXPLORE adheres to Maryland regulations for youth camps and is self-regulating according to the regulations set up by Maryland.
- All faculty and staff undergo background checks as required by Maryland law.
- Parents must sign their child in and out of camp each day.
- Campers must be age 14 or older to sign in and out of camp. Parental authorization must be on file with Kids in College office. Call us at **410-777-2658** if you need additional information.
- Campers are escorted to and from all activities.
- Parents needing to change the pick up plans must fax the child's name, camp name and the adult authorized to pick up your child to **410-777-4658**. Parents must include your signature and telephone number where you can be reached.
- Staff will escort campers who are not picked up 15 minutes after a camp ends to the Johnson Building to wait for their parent. Parents should come to Johnson Room 212 for assistance.

BEHAVIOR

As campers enjoy their summer activities, they need to remember that college is in session and administrative offices are open for business. So, campers need to respect the rules and demonstrate appropriate behavior and language.

Campers are expected to:

- Behave in a friendly, cooperative and reasonable manner toward other campers, instructors and staff.
- Respect the ideas and property of others.
- Be able to work independently.
- Be able to focus on a task to completion.

Campers may be excluded from activities or dismissed from the program for not adhering to the behavior guidelines or:

- Leaving assigned area unaccompanied by a staff member.
- Stealing or vandalizing college property or the property of others
- Bullying
- Using profanity
- Eating or drinking in computer labs
- Jeopardizing the safety or well being of oneself or others
- Disrupting the learning environment

CELL PHONES AND ELECTRONICS

Unplug this summer at Kids in College. Campers should turn off the ringer on their cell phones and refrain from texting during camp. In case of an emergency, contact us at **410-777-1182** or **410-777-2325** and we will have your camper contact you. Instructors/staff will have cell phones when they are out of the classroom.

DRESSING FOR CAMP

DRESSING FOR FUN

Camp activities can be messy so dress your child to have fun! Some buildings can be cold so send your camper with a sweatshirt or sweater. Campers should wear closed-toe shoes.

OSHA regulations required that closed-toe shoes be worn in the following camps:

- All cooking camps
- All Mad Science camps
- All sewing camps

We cannot be flexible about this rule. No closed-toe shoes, no camp.

CAMP SPECIFIC INFORMATION

COOKING CAMPS

MANDATORY DRESS CODE

- Closed-toe shoes
- Shirt with sleeves, no tank tops permitted
- Long hair must be pulled back securely close to the head.

MEDICAL CONDITIONS

- Cooking camps are not recommended for children with food allergies.
- The college cannot provide a nut-free environment in the kitchen.

LUNCHES

- Full-day cooking campers typically eat what they prepare during the morning for lunch. If your child is a picky eater we suggest you send a lunch that does not require refrigeration.
- Half-day cooking campers may have food that they prepare in camp to eat at lunch but they will not be eating in the kitchen area.

SPORT CAMPS

MANDATORY DRESS CODE

- Closed-toe shoes required

WATER BOTTLES

SUNSCREEN

Apply sunscreen to your camper before coming to camp. Campers may bring sunscreen and reapply it during the day.

CAMPERS WILL BE OUTSIDE FOR A PORTION OF EACH DAY

- Sports Jamboree will be outside each day unless there is rain. If there is an excessive heat warning or air quality alert, we follow the alert recommendation.

MEDICAL CONDITIONS

- Parents must notify the nurse at **410-777-2480** if they are aware of any medical condition that would prevent their camper from participating in camp activities. The activities include running, jumping, bending and calisthenics and/or throwing.
- Periodic water breaks and rest periods are given throughout the day.

THEATER EXPERIENCE

This camp will perform a musical.

AUDITIONS

- Are held during the first day of camp
- There will be individual auditions and group auditions.
- Audition songs and readings will be provided by the camp staff.
- All campers will be on stage during the performance but not all campers are able to have vocal or reading solos.

DRESS CODE

- Closed-toe shoes are recommended. Flip-flops are not recommended.
- A sweatshirt is recommended because the theater can be cold.
- Mark all personal items clearly with your camper's name
- Performance information will be posted online as soon as it is available.
