

MEDICAL ASSISTING OUTCOMES

The Anne Arundel Community College Medical Assisting Certificate program annually publishes and makes accessible to prospective and current students, graduates, and the public the Annual Review Report (ARF). Below are the 2019 Medical Assisting Education Review Board approved results:

- **Retention:** 88.46% retention for the 2017 admission cohort
- **Job Placement:** 79.17% for 2018 graduate year
- **Exam Passage:** 100% for 2017 graduates
