

MEMORANDUM OF UNDERSTANDING

ANNE ARUNDEL COMMUNITY COLLEGE & TOWSON UNIVERSITY

August 1, 2018

Allied Health B.T.P.S. Degree

Anne Arundel Community College, Arnold, Maryland, and Towson University, agree to follow the articulation of courses outlined in the articulation (course equivalency) document, for completion of requirements for the Bachelor of Technical or Professional Studies degree in Allied Health (Attachment A), which is attached to, and incorporated by reference into, this Memorandum of Understanding (MOU). The following principles guide the operation of this MOU, with the requirements for transfer in specific curricula set forth in Attachment A.

1. Towson University will accept a maximum number of 64 credits from Anne Arundel Community College as outlined in the Attachment A. The number of transferable credits specific to this program is reflected in Attachment A.
2. Students who have completed the Associate of Applied Science Degree in the Medical Assisting program at Anne Arundel Community College may transfer into Towson University's Allied Health program with junior standing provided that the student has completed all courses identified on Attachment A (which is attached to, and incorporated by reference into, this MOU) with a cumulative GPA of 2.00 or higher. Courses completed at Anne Arundel Community College with 300 or 400 level Towson University course equivalencies will transfer as lower-level credit but will satisfy course content as indicated.
3. Only courses in which a grade of C (2.00) or better is earned will apply toward the major at Towson University.
4. In accordance with the MHEC transfer policy pertaining to general education requirements, Towson University will accept the completion of Anne Arundel Community College's general education requirements (GenEds) and students will be required to complete courses at Towson University to satisfy the remaining *University Core* requirements as shown in Attachment A.
5. Towson University recognizes college-level experiential learning gained through previous work, military and/or volunteer service or life experience. Credit for prior learning may also be established through course challenge or standardized credit by examination.
6. Anne Arundel Community College students transferring to Towson University will be given every consideration for financial aid and will be eligible to compete for academic scholarships upon entrance to Towson University subject to stated scholarship deadlines.
7. Both Anne Arundel Community College and Towson University agree to work together to facilitate the transfer of students from Anne Arundel Community College to Towson University to work cooperatively to insure the high quality of the programs at the respective institutions. Transfer of students will be in accordance with policies and procedures of both institutions, as they may be amended from time to time.

8. This MOU will be in effect initially for ten years, beginning *Fall 2018*, with a review every two years by both parties. Any revisions the parties deem necessary must be evidenced in writing and signed by the authorized officials of each institution. The MOU may be terminated by either party for due cause and after adequate notice of not less than six months is given to the other party.
9. Towson University will establish procedures to provide information on the academic progress of Anne Arundel Community College students enrolled as part of this MOU.
10. This MOU, when signed, constitutes the entire agreement between the parties and supersedes all prior agreements and understandings between the parties respecting the matter hereof.

**Requires Course Directive for Core Placement.

ANNE ARUNDEL COMMUNITY COLLEGE – MEDICAL ASSISTING A.A.S DEGREE

TOWSON UNIVERSITY – ALLIED HEALTH B.T.P.S. DEGREE

AACC Course Selection

GENERAL EDUCATION:

- 1) Students who complete ENG 121 must complete Core 12 Global Perspectives at TU and will be required to complete an additional course in order to complete the minimum of 60 credits for the associate's degree. Because ACA 100 is not transferable, students who complete ENG 121 are encouraged to complete a second 4-credit general education science requirement in order to still transfer 60 credits to TU.
- 2) Students planning to pursue the Science and Professional Preparation track in the Allied Health major should consider the following mathematics general education selection:
 - a. Students may consider MAT 137 College Algebra, MAT 145 Precalculus 1, MAT 146 Precalculus 2, or MAT 151 Accelerated Precalculus as their Mathematics Gen Ed course if they intend to complete PHYS elective options in the track.
 - b. Students may also consider MAT 135 Statistics as their Mathematics Gen Ed course as a possible elective option in the track. NOTE: All major track electives must be approved by an Allied Health advisor.

ACA 100/TRANSFERABLE CREDITS:

- 1) Students who complete the minimum program requirements will only transfer a total of 59 credits to TU because ACA 100 is not transferable. Students should consider completing an additional course if they want to transfer 60 or more credits. TU recommends a second science general education course if students choose to do this.

ANNE ARUNDEL COMMUNITY COLLEGE – MEDICAL ASSISTING A.A.S DEGREE
TOWSON UNIVERSITY – ALLIED HEALTH B.T.P.S. DEGREE
DEGREE REQUIREMENTS TO BE COMPLETED AT TU

CORE CURRICULUM REQUIREMENTS

15-19 units

Core 8	Biological and Physical Sciences (Lab or Non-Lab)	3-4 units
Core 9	Advanced Writing Seminar	3 units
Core 11	The United States as a Nation	3 units
Core 12	Global Perspectives	3 units
Core 13	Diversity and Difference	(3 units)
Core 14	Ethical Issues and Perspectives	3 units

(If ENG 112 or 116 is not taken at AACCC)

REQUIRED COURSES (ALL TRACKS)

9 units

HLTH 207	Health Care in the U.S.	<i>(Counted Above)</i>	
AHLT 310	Management for the Allied Health Professional	<i>(3 units)</i>	Core 11 The U.S. as a Nation
OR AHLT 311	Human Resource Management for Allied Health Professionals	3 units	
AHLT 320	Understanding Evidence-Based Practice	3 units	
AHLT 440	Professional Issues in Allied Health	<i>(Counted Above)</i>	Core 9 Advanced Writing Seminar
AHLT 445	Research Methods in Interprofessional Health Studies	<i>(3 units)</i>	
NURS 416	Cultural Diversity in Health Care	3 units	Core 13 Diversity & Difference
		<i>(3 units)</i>	

REQUIRED FOR TRACK

15 units

HCMN 441	Legal and Ethical Issues in Health Administration	<i>(3 units)</i>	Core 14 Ethical Perspectives
OR PHIL 361	Biomedical Ethics	<i>(Counted Above)</i>	
AHLT 450	Capstone in Allied Health	3 units	
	Track Electives	12 units	

NOTE: Students choose one of six tracks: Administration and Management, Advanced Respiratory Therapy, Education, Family Studies, Health Promotion, Wellness, Prevention & Community Health Education, or Science and Professional Preparation. A list of possible course electives for each track is available in the TU catalog. Other course selections are possible, subject to the approval of the program director. All students will complete an ethics course and a capstone course; the required ethics course varies by track. Each student's program of study and the courses they choose must be approved by an Allied Health advisor.

TOTAL UNITS TO B.T.P.S. DEGREE: 120 UNITS

AACC Medical Assisting A.A.S. Degree	59
Completion of Core Curriculum at TU	15-19
TU Allied Health Major	24
General Electives	18-22
