ANNE ARUNDEL COMMUNITY COLLEGE
AND
UNIVERSITY OF MARYLAND UNIVERSITY COLLEGE

Alliance Agreement

This Alliance Agreement ("Agreement") is made this 1st day of June, 2015 ("the Effective Date") by and between the University of Maryland University College ("UMUC") and Anne Arundel Community College ("AACC") who together are collectively referred to as the "Institutions." This Agreement replaces the Alliance Agreement entered into between the Institutions on August 15, 2008.

I. Introduction

a. UMUC is an accredited institution of higher education located in Adelphi, Maryland, and provides its academic courses and programs in Maryland and through distance delivery. UMUC offers undergraduate and graduate degree and certificate programs and is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools. UMUC is a constituent institution of the University System of Maryland, an agency of the State of Maryland.

b. AACC is a regionally accredited institution located in Arnold, MD. AACC is a comprehensive community college that is accessible, learning-centered, and dedicated to serving a diverse community of learners and employers through quality innovative programs, services and the appropriate use of technology for life-long learning. The institution is accredited by the Commission on Higher Education of the Middle States Association of Colleges and Schools.

c. The Institutions recognize the programs and courses offered by the other and desire to establish their understanding regarding the transfer and applicability of credits from one institution to the other. The Institutions further desire to allow simultaneous admission to AACC and UMUC ("the Alliance"). To that end the Institutions enter into this Agreement.

Now therefore, the Institutions agree as follows:

II. Term

a. The term of this Agreement shall be effective as of June 1, 2015 and continue in effect for an initial period of one (1) year and shall automatically renew for successive one (1) year periods.

b. Either party may terminate this Agreement by providing the other ninety (90) days prior written notice. During the notice period the parties may discuss continuation of a formal relationship between them.

c. Provided neither Institution’s programs, courses or graduation requirements have changed materially to effect this articulation, the transfer of credit, or guaranteed admission is no longer academically appropriate UMUC shall: (1) accept the transfer of AACC credits and afford
the students the status as stated herein on the terms and conditions of this Agreement for those students who, at or before the termination of Agreement, have enrolled in UMUC and remained continuously enrolled; and (2) accept for admission individuals who have graduated from Anne Arundel Community College with an associate’s degree on the terms and conditions of this Agreement.

III. Dual Admissions, Transfer Credit, Reverse Transfer, Guaranteed Admission and Scholarships

a. **Dual Admission.** The Institutions agree to allow simultaneous admission to AACC and UMUC. UMUC will not promote transfer to UMUC before a student has completed 45 credit hours at AACC and shall encourage students to continue to obtain their associate’s degree.

b. Students enrolled in both Institutions under this Agreement ("Alliance Students") shall be subject to the laws, regulations, practices and policies in effect at the institution the respective Alliance Student is attending. UMUC will waive the UMUC admission application fee for Alliance Students who complete the admission application prior to graduating from AACC.

c. With respect to students enrolled in the Alliance, UMUC and AACC shall abide by the following procedures:

(i) **Specific Programs — Acceptance of Degrees.** Subject to the terms and conditions of this Agreement, UMUC shall provide students graduating from AACC with the opportunity to seamlessly transfer to UMUC into any of the Bachelor’s degree programs offered by UMUC.

(ii) **Transfer of AACC Credits to UMUC.** Subject to the terms and conditions of this Agreement, UMUC shall accept transfer of AACC credits up to a maximum of seventy (70) credit hours on the following terms and conditions:

A) the grade earned in the course in question is at least the minimum permitted for transfer in accordance with University policy and COMAR;

B) the student does not take an equivalent course at UMUC.

d. **Evaluation of Transfer Credits.** UMUC will grant prospective students and graduates from AACC a tentative evaluation of all transfer credits within 1-3 business days. It is anticipated that Alliance Students who apply to UMUC and submit official transcripts to UMUC will receive an official evaluation of their transfer credits within 2-3 weeks of receipt of all documentation. Evaluations may take slightly longer if courses from AACC have not previously been evaluated by UMUC.

e. **Changes in Programs.** Notwithstanding anything in this Agreement to the contrary, the Institutions retain the right and the authority to make changes in their respective courses, programs and credential requirements that they each may determine to be in their
program and credential requirements that may materially affect the Alliance Student’s status and acceptance of degrees or the transfer of credit as contemplated in this Agreement. Students who are already enrolled in the Alliance at the time of program or course changes will have the opportunity to choose whether they will follow the new or existing program. Anne Arundel Community College graduates who have already been admitted to UMUC and whose transfer credits have been accepted at the time of program or course changes will not be affected.

The parties shall meet, at least annually, to review the changes in courses, programs and credential requirements for the purpose of determining whether or if this Agreement should be amended to reflect the courses, programs and credential requirements then in effect.

f. **Reverse Transfer.** UMUC will promote reverse transfer to AACC students who transfer to UMUC without an AACC associates degree. Interested students must sign a FERPA waiver to allow UMUC and AACC advisors to exchange student academic records to implement dual advising and promote reverse transfer opportunities. Data will be shared yearly with AACC administrators.

g. **Guaranteed Admission.** UMUC shall accept for admission individuals who have graduated from Anne Arundel Community College with an associate’s degree (“Eligible Students”) per the terms and conditions herein as of the Effective Date. For guaranteed admission, Eligible Students must:
   - complete and submit the UMUC application for admission
   - request Anne Arundel Community College to send official transcripts directly to UMUC electronically, or mail sealed, paper transcripts to:

   University of Maryland University College  
   Attn: Transcripts  
   3501 University Boulevard East  
   Adelphi, MD 20783

   - contact a UMUC advisor to receive an evaluation of transfer credits and design a degree completion plan.

h. **Scholarships.** UMUC will offer graduates from AACC the opportunity to apply for the UMUC Completion Scholarship or other scholarship opportunities as they become available. Students must meet UMUC Completion Scholarship qualifications for eligibility, which include an associate’s degree earned from AACC, being a U.S. citizen or permanent resident, being a Maryland resident or active duty military, being a degree seeking student pursuing a first bachelor’s degree, and applying for the Completion Scholarship before the start date of student’s first class. The Completion Scholarship will be promoted on both the AACC and UMUC web sites, and UMUC Alliance publications.

i. **Transfer Reports.** UMUC shall provide annual transfer reports to AACC. Transfer reports will include information on bachelor’s degree completion, number of credits transferred, number of Completion Scholarships and Community College Transfer Scholarships
awarded, and other pertinent information.

IV. Applicability

a. In order for an Alliance Student having graduated from AACC to be afforded guaranteed admission or status in the Articulated Programs as contemplated in Section 3 or to be afforded transfer credits as contemplated in Section 3, that student must have met UMUC’s admission criteria and other applicable requirements for the transfer of Articulated Programs or the transfer of credits as set forth in the then applicable UMUC catalog at the time the Alliance Student applies for admission to UMUC.

b. UMUC and AACC agree that the status afforded to students as contemplated in this Agreement applies only to the Articulated Programs, courses in the Articulated Programs, transfer of credits and credentials and credential requirements in effect as of the Effective Date.

V. Publicity and Promotion

a. During the term of this Agreement, the Institutions shall develop and agree upon a mutually acceptable marketing and student recruitment plan to promote the AACC-UMUC alliance and inform students of the opportunities available at both institutions under this Agreement. AACC agrees to promote the Alliance to AACC students by allowing UMUC (www.umuc.edu) to place marketing materials in student service centered departments, on the AACC website (www.aacc.edu) and other AACC transfer publications. Any and all marketing, promotional or publication materials developed pursuant to this Agreement prepared or developed by one party must be reviewed and approved in writing by the other party prior to use of any such materials.

b. The institutions will discuss methods to publicize the transfer and applicability of transfer credit and to promote enrollment of and other opportunities for AACC students and alumni at UMUC.

d. Neither Institution shall use the name or marks of the other party in connection with any product, service, promotion, news release or other publicity, without the prior written consent of the party whose name of likeness may be under consideration.
